**Galway Prayer Meeting: Anti-Semitism – Is Ireland A Sheep Or A Goat Nation?**

**Thursday, June 14, 2018 | 7:00 P.M. - 10:30 P.M.**

**The Connacht Hotel, Dublin Road, Galway, H91 K5DD**

In this meeting we will look closer at the anti-Semitism that is rampant in our Nation, and especially in our youth and Universities. Kathleen Mitchell will share profound truths, on a spiritual, social, economical and governmental level, that will debunk the lies that we as a people, tribe and tongue in Ireland have embraced, regarding our relationship with Israel. Kathleen operates in the prophetic ministry, and also as a mentor, she interfaces with governmental leaders in the nations, to speak about the dangers of opposing the Lord's word and destiny for Israel. She also speaks of the blessings that come from supporting what the Lord is doing with, and through, Israel, while standing against the pressure of Islam and Secular Humanism. You will not want to miss this powerful time of teaching and prayer!

“No great event in history comes to pass unless God finds His human channels of faith and obedience. Prophecies must be believed into manifestations, as well as foretold.”

“The path of the intercessor is the way of the cross.”
