

Warrior Bride It's Time To Arise!

Will you fight the good fight of faith for our Nation to be saved?

Intercessors
— For Ireland —

Calling all Intercessors for Ireland to unite! These are perilous times in which we live. We are well aware of the challenges facing believers today, and it's our commission to prepare them for the days ahead. Often, when asked, "How do I prepare for what is coming – I feel so unprepared?" We tell them all the same thing; pray!

Prayer is what we do: We teach intercessors how to stand in the gap on behalf of cities and nations. It is the prayers of these intercessors that will bring stability when the shakings occur. Every time we intercede; we root ourselves further into His will and His desires for our Nation, revealing the truth that births change on a foundational level.

That is the work we do are called to do. It's not an easy work. In fact, it's just the opposite; it takes time, perseverance and determination – it gets tough on the battlefield!

"No great event in history comes to pass unless God finds His human channels of faith and obedience. Prophecies must be believed into manifestations, as well as foretold."

Rees Howells

Will you rise to the call: And be part of the stabilizing force, driven by our Lord, and enlist in His end-times Army? Will you join us and fight the good fight of faith for our Nation, cities, communities and families to be saved and healed?

We will be holding strategic prayer meetings in the coming days. These meetings are to help equip the Church for how late the hour is and how unprepared we are for the Lord's soon 2nd coming, and return. This equipping will be done through worship, the Word, and intercessory prayer for our Nation.
