## Ministry Year-end Report

Dear Beloved Friends and Intercessors For Ireland,

Can you believe another year has flown by and we are about to begin 2019? It has been a very busy, intense year! Before I begin, I first and foremost want to give all the praise, glory and honor to our Faithful Bridegroom King Yeshua, and our loving, gracious heavenly Father, for all that has been accomplished in and through the ministry, for we can surely do nothing of our own abilities!

At the same time I give thanks and praise for every one of you – for all your love, prayers, encouragement and financial support! We truly could not do this work without each and everyone of you!

In early January, after completing the 40-day fast that I had been called to, we were given two new commissioning's from the Lord. The first was to cover the *Irexit Freedom To Prosper Conference*, an event that was to take place on February 3, 2018 in Dublin. This was an event that would reveal the truth about the EU and why we should leave it. We were to gather as many intercessors as possible and cover it with prayer. I share details below.

The second commissioning, we were to hold one prayer meeting in every county in Ireland, therefore 32 meetings! These meetings are strategic and are to help equip the true Church for how late the hour is and how unprepared we are for the Lord's soon 2nd coming, and return. Equally they are to call forth the Warrior Bride to arise, for the Intercessors For Ireland to unite, and fight the good fight of faith together so that our Nation can be saved! This equipping is done through worship, the Word and intercessory prayer for our Nation.

Being a very small ministry with few laborers and even less resources, this second commissioning was daunting on every level! We spent the first two and half months of the year working out a road map relying solely on the Captain of our salvation to guide and direct our every step. During this time it became clear He had us on a fast track, and all meetings were to be completed by the end of March 2019! We worked relentlessly in researching and securing the venues. On March 29, 2018 we held our first prayer meeting in County Dublin.

### **In 2018, by the Lord's grace alone, the following was accomplished:**

1. February 3, 2018 we completed the Irexit Prayer Watch that was intercessory prayer to cover the *Irexit Freedom To Prosper Conference* that took place in Dublin. Nigel Farage, was the key note speaker. We had a huge victory for the Lord, in His great mercy, opened the door making a way for Ireland to exit the EU. After completing this watch and during my time of waiting on the Lord, He spoke, "*The door had been opened, because of obedience.*" Meaning the obedience of those who answered the call to pray. We had many precious intercessors joining us from the North, South, East and West of Ireland and N. Ireland, as well as other nations. Equally, the Lord revealed to me during this time of intercession, how the Spirit of Pharaoh is over the EU, and how He will bring judgments against the EU that will eventually cause Ireland to leave the EU, if we are faithful to keep praying. The door opening is a vital first step to unlocking Ireland's relationship with the EU. It is not the end, but only the beginning in that a way had been made for it to happen. We saw the Lord strike Egypt with 10 plagues, so we can interpret it to mean we will face at least 10 serious battles trying to keep us locked in this tyranny! This requires our faithful and fervent prayer.

2. To date we have completed 25 prayer meetings in 24 counties. We will be completing another three meetings in January, four in February and four in March. Three counties we were not able to accomplish what needed to be done, therefore these have been added back to our schedule. The messages are available on our website teaching page Intercessors For Ireland: <https://thevoiceofmybeloved.com/teachings-intercessors-for-ireland/>.

3. In June, for our Galway and Kerry meetings, we hosted for five days guest speakers Doug and Kathleen Mitchell. In Galway, Doug gave an eye-opening message debunking the lies and hate that anti-Semitism breeds. In Kerry, Kathleen gave a powerful teaching on the principality of Leviathan, bringing answers and hope for those entrapped in the snares of this evil principalities powers. Additionally, it was a powerful time of intercessors joining us from Belfast and Cork to do strategic prayer assignments in Counties Kerry and Cork.

4. In May I started the lengthy and costly process to obtain a full Irish driving license. At the end of September I was able to pass my test the first time round – thank you Lord! I continue to wait for the miracle of a car to be provided.

5. In May we launched our first edition of *The Good Shepherd's Heart: Living Parables*. These parables are an account of my real life encounters with the Good Shepherd, which are by His divine design. These encounters take place on the countless prayer walks we have done, walking the beautiful farmland and coastal shores in County Kerry.

6. In October we had 10-days of travel in the North, doing four meetings. Much good fruit came forth from co-laboring with other ministries who graciously opened their hearts and doors, hosting our Co. Down and Co. Antrim meetings. We were blessed to meet many wonderful brothers and sisters in the Lord, who are hungering for the meat, who want to be prepared for their wedding day. We can never say thank you enough to our hosts who were so willing!

7. We are excited to report that three HOP have been established; one each in Co. Meath, Co. Kildare and Co. Wexford. We have committed intercessors keeping watch. We are truly in awe of their sacrifice to pray and eternally grateful for their hearts of prayer. Monthly TVOMB provides prayer points to help guide these times of prayer. We continue to pray for an increase in the number of Intercessors For Ireland who will join these HOP until they are 24/7.

8. In December, we were honored to facilitate the first Jesus Ministries/Angel TV Prayer Meeting in Ireland. It was a wonderful time of fellowship, with like-minded/spirited brothers and sisters, being encouraged, edified, strengthened, and uniting in prayer. Our next meeting will be February 16, 2019 in Dublin.

9. We began our first Skype prayer call this month, enabling those in other counties to join one of our weekly prayer watches. Though it is a very humble beginning, we do not despise small beginnings. Instead, we look eagerly to see how the Lord will unite more and more intercessors to pray, in the coming days, via this platform.

10. We continue to keep two prayer watches a week, some weeks three, in between the meetings and travel.

11. We continue to see an increase of intercessors wanting to commit to a prayer watch.

12. We see an increased awakening taking place. Those who were once satisfied with milk, are now hungering for the meat – for truth, purity, holiness – wanting to walk through the House of Purification that Esther walked through.

13. We are seeing the domination of the RCC losing its' tight grip that it once held on our people. Pope Francis's *World Meeting of Families* took place in August ending with Mass in Phoenix Park. This man is not our friend, nor does he care for our families. 500,000 were expected to attend. Fewer than 130,000 attended – only a quarter of the number they expected. PTL! That is an answer to months of prayer. We were blessed to have strategic prayer meetings regarding this visit with like-spirited brothers and sisters who recognise the signs of the times and are keenly aware of the evil global/humanistic agenda that the Vatican promotes in our land.

What we are seeing is because of strategic prayer. Prayer is what moves the Lord's heart to save, heal and restore us. That is the heart of the Father – He longs to restore us. But it requires our response – a response to the darkness increasing around us. To respond His way by becoming love, so His Light can increase in us to push back the darkness.

## **If 2018 proved we need to be praying like our lives depend upon – 2019 is proving even more so!**

This past year we saw our Nation take several hard blows with our government becoming alarmingly more anti-God and anti-Semitic in promoting the New World Order's anti-Christ agenda in our land.

**On May 25, 2018:** We voted to repeal the 8th amendment, making abortion legal as of January 1, 2019. To add to that horrific injury, this month we passed one of the most liberal abortion bills in the nations. This will require our faithful and fervent prayers fighting for the rights of the unborn, to overturn this law legalizing murder.

**On October 26, 2018:** We voted to keep our current president Michael Higgins in office. This man needs our prayers. He is known to be a personal friend of George Soros, having had private meetings with him.

**On October 26, 2018:** We voted to amend the 37th amendment of our Constitution, article 40.6.1.i. to remove blasphemy as a law. This is a first step to remove all mentions of God from our Constitution, which is the agenda of the globalists and EU. If they succeed, that will open us up to Sharia law, as we see being enforced in some EU nations, paving the way for the NWO agenda to be implemented. This was a graven error for us to make as a Nation. Sadly, many Christians voted to remove this law. Ireland's Constitution was written acknowledging the Lord Jesus Christ – the Lord God Almighty. Our Constitution was not written acknowledging the false demon god Allah that Moslem nations worship, nor was it written to their false prophet Mohammed. This blasphemous law that we had declared to the Lord that we have fear of His Holy name. It declared over us as a Nation that we will walk in the fear of the Lord, or face consequences. It declared to the world, we are a Nation that will walk in fear of the Lord. By comparing our law to nations who do not serve the Lord God Almighty, who use their blasphemous law to persecute people for not bowing down to their demon gods, is a distorted twist on truth and an evil scheme of the enemy to keep His sleeping Church in a slumber by calling what was good now evil. This plot is to put fear of man into our minds by saying this law could be used against us. When the reality is now that we have removed it – we have removed God's covering, so to speak, because we have removed the fear of the Lord from our laws. This requires our faithful and fervent prayers going forward!

**On December 10, 2018:** Ireland voted in favor of the UN Migrant Pact. This agreement, although not legally binding, will pressure governments to comply. This is another step forward by Soros, the elite and the EU to force their mass migration plan on the nations with the goal to destabilize governments economically, and at the same time create social chaos to implement the NWO agenda without resistance. One thing this Pact does is make it illegal to criticise mass migration, under hate speech. It was not a good day for Ireland - or any nation that agreed to it.

**We see the globalists continue promoting Islam via the EU, the Vatican and particularly through George Soros.** This year we have seen an increase in migrants on our shores. As of November we now have 40 migrant centres spread across 20 counties. At the end of July 2018 there were 35 centres spread across 17 counties. Vatican Bishop Athanasius Schneider confessed earlier this year that European politicians and senior Catholic officials are bought and paid for by Soros. He further confessed, *"The migrant crisis represents a plan orchestrated and prepared for a long time by international powers to radically alter the Christian and national identity of the peoples of Europe."* We do not hate the people who are deceived by the doctrine of demon known as Islam, but we vehemently oppose the spirit of Islam that wants to destroy every one. We pray for Ireland to say "NO" to Islam and take our sovereignty back from the EU with closed borders. This requires our faithful and fervent prayers that we would wake-up to the evil assaulting our land and our neighbors; France, Sweden, Germany, England, with the violence of Islam.

**Anti-Semitism:** Continues to increase with our government wanting to implement some of the toughest BDS laws. The Occupied Territories Bill is threatening to soon become our law. If this succeeds, it will be illegal for Ireland to trade with what the bill calls "Occupied Territories." This bill promotes the lie of Palestine and the hate and violence that it breeds. This requires our faithful and fervent prayers that we will become a nation that stands with Israel.

**We need to continue praying for Ireland to come out of the EU – for the “Irexit” to happen!** That Ireland will walk out the door that has been opened – to walk away from our relationship with the EU. The EU was never God’s plan for any nation to be enslaved to. It is an anti-Christ system designed to destroy nations by causing them to lose their sovereign identity in the Lord Yeshua, as a people, tribe and tongue. By being a Member we align ourselves with the elite, illuminati and globalists humanistic agenda to bring in the New World Order. Ireland must come out of the EU if she is to be a sheep nation and be saved. This requires our faithful and fervent prayer calling forth the “Irexit,” for the arms and Spirit of Pharaoh and these unholy alliances to be broken off our government and Nation.

We are surely seeing the iron grip of the Spirit of Pharaoh and the EU holding us in slavery more than ever as a people, tribe, tongue and nation. This year we have seen an acceleration of darkness in our land because of it.

So much more I could share – the LGBT agenda taking over our schools, artificial intelligence that is rapidly being embraced causing Ireland to take steps in becoming a cashless society, all leading for the MOB to be implemented.

**Equally, we are seeing the darkness increase in the Body of Messiah.** We are seeing apostasy increase in the Church. Apostasy can be defined as falling away from biblical principles. We are seeing a false anointing operating from false apostles, prophets and teachers deceiving many with signs, wonders and counterfeit encounters – void of holiness, purity, humility and the fear of the Lord seducing many away from truth. We are seeing witchcraft increase like never before in our midst – with most unaware of the bewitching that is taking place in most church services and meetings. We are seeing the false unity movement to unite religions gain even more momentum with Pope Francis and many charismatic leaders heading this movement. We need to pray for the charismatic leaders that have been swept away in this deception that they will come out of it and not unite with the Roman Catholic Church. When I asked the Lord a couple of years ago about this, He told me, “*Unity in truth.*” Truth divides light from darkness. We must pray fervently for the true Church to arise, come out of compromise, and unite in truth to confront this evil.

On the morning of September 15, 2019, while preparing for our meeting that day, the Lord spoke a word, after I had a vision of the broad road that leads to destruction and the narrow road that leads to eternal life. I was feeling oppression in the room and it was making me feel quite uncomfortable. The Lord then spoke, “*It is a Spirit of Pharaoh you are feeling right now. Fear not this spirit but pray for the arms of Pharaoh to be broken – broken off My people that they can be free, free to worship Me in spirit and in truth, free from the tyranny of Babylon, free from the compromise and mixture that has caused their garments to be full of spots and wrinkles, free from the weight of idolatry and the iron grip Pharaoh has on their hearts that are divided towards Me. Free, free to be all that I created them to be in Me, free from their emotional wounds, free from their ancestral wounds, free from the chains and shackles of religion and doctrines of demons that have kept their souls bound in darkness and bondage, free to not only find, but inherit their full identity in Me. Keep warning My people. Keep warning them I AM coming for a bride who has made herself ready for Me – one without spot or wrinkle, one who will have no other lovers but Me, one who considers Me worth knowing by denying herself, taking up her cross and following Me wherever I may lead, one who will not only embrace My cross, but will love it more than her own life, unto death. For those who choose the narrow path, every access, provision and protection they need will be provided. Pray for great grace, courage and strength for My people to want to choose the narrow path, the path that is void of all self, compromise and fear of man, the path that will lead them to eternal life. I AM the way that leads to truth that leads to life. Only when you live through Me will you find and inherit the abundant life. It is My desire and perfect will that all would walk the narrow path with Me – all are called, few will choose to do so.*”

The Lord is looking to His Church – His Ecclesia to govern the affairs on earth as in heaven. He expects us to do so! He never promised it would be easy, but promised to provide everything we need to do it His way, if we are willing.

On November 1, 2019, the Lord spoke the following, “*An increase in clarity, an increase in vision, an increase in authority.*” It is a word for His bride, those sitting in the Refiner’s fire who have been letting go of anyone or anything that hinders His plans for them. 2018 proved to be a year of great trials and refinement, all preparing us to be positioned in Him exactly where we need to be, as we move into 2019. On December 24, 2018 the Lord spoke more about this increase and positioning. It is a positioning for His Voice to roar in the nations with increased clarity,

vision and authority. If you have been feeling the heat of the Refiner's fire burning up everything in your life that is not of Him this past year, be of good cheer! As we transition into 2019 His Bride will see an increase in clarity, vision and authority to contend with the darkness that is increasing around us. AMEN!

**As we move into 2019, we need your prayers more than ever as we navigate uncharted waters:**

- 1. Pray that TVOMB would be filled with the knowledge of His will** in all wisdom and spiritual understanding, that we may walk worthy of the Lord, fully pleasing Him, being fruitful in every good work and increasing in the knowledge of God, strengthened with all might, according to His glorious power [Colossians 1:9-11].
- 2. Pray for our upcoming January prayer meetings:** Longford: Jan. 10th, Westmeath: Jan. 12th, Leitrim: Jan. 31st.
- 3. Traveling favors, mercies and protection:** For the Blood of the Lamb to cover every detail and be upon all our road trips, all travel arrangements, all communications and great favor wherever our feet may land.
- 4. Protection for all Intercessors For Ireland and their families:** That no weapon formed against them will prosper.
- 5. Pray against all the evil schemes of the enemy:** To cause delays or obstacles to this work. Apply the blood of the Lamb to the root of all witchcraft prayers against us to wither up and die at the feet of Jesus every time!
- 6. Pray for the right laborers to come forth:** Who will rebuild the broken down walls in our Nation God's way. Those who are like Joshua and Caleb, who are of a different spirit and who will follow the Lord wholeheartedly.
- 7. Pray for blessings, protection, strength, healing and provision:** For all those who pray and support this ministry and work. We could not exist without them!
- 8. That the Lord would bring forth laborers who will sow sacrificially into this ministry:** With their time, gifting's and resources. Specifically for the Lord to bring forth intercessors who will have a burden for the work we are called to do [raising up 32 HOP], who will cover us in a wall of prayer, especially when we do the meetings.
- 9. Pray the Lord will bring forth the laborers who will sow financially into this ministry.** Those who will partner with us on a monthly basis and be faithful each month in their giving, that our expenses can be covered.
- 10. Pray our finances will be met - to date our current needs are:**
  - €1250 - €1675 a month to cover the prayer meeting expenses. Includes room hire, accommodations and travel.
  - €200 per year for website hosting, maintenance and software licensing fees.
  - Finances to purchase a vehicle.
  - Finances for new MacBook Pro 15" and backup drive that are used for worship, recording and live streaming.
  - Finances to purchase land or a building to establish a HOP headquarters that can be our main hub of operation.
  - The above does not include other ministry expenses or any of my personal expenses.

Forever thank you for standing with us, however the Lord leads. We are eternally grateful for you and your heart for prayer! Prayer is our only hope that the golden altar of incense can be re-built - so that the Bride of Ireland can present this Nation, as her wedding gift, to our Great King on her wedding day. May the Lamb receive the reward of His suffering in the fullest measure, this Nation, as His rightful inheritance as He deserves (Psalm 2:8).

In His loving mercy,

Tracy Hogan
