

Ministry Update: June 2, 2019

Dear Beloved Friends and Intercessors For Ireland,

Can you believe we are already half way through 2019? It has been a very busy, intense year and a half for the ministry! Before I begin, I first and foremost want to give all the praise, glory and honor to our Faithful Bridegroom King Yeshua, and our loving, gracious heavenly Father, for all that has been accomplished in and through the ministry, for we can surely do nothing of our own abilities!

At the same time I give thanks and praise for every one of you – for all your love, prayers, encouragement and financial support! We truly could not do this work without each and every one of you!

Many of you are aware we were commissioned in January 2018 to hold one prayer meeting in every county in Ireland, therefore 32 meetings. In the end, it turned out to be 34 meetings due to some counties we had to go back into! We completed our last meeting, March 30, 2019 – all by His grace and mercies alone. It was a long, hard road we traveled, but a foundation of gold was laid, in truth, purity, holiness and in the fear of the Lord. It was a road that was saturated in prayer, paving the way for repentance, revival and reformation to come. It was 14-months of hard labor in His vineyards, but worth every hardship, affliction, sacrifice, warfare and every obstacle that the Captain of our Salvation left in our path for us to overcome, all His way – all to His glory!

The meetings were strategic to help equip the true Church for how late the hour is and how unprepared we are for the Lord's soon 2nd coming, and return. Equally they were to call forth the Warrior Bride to arise, for the Intercessors For Ireland to unite, arise and build the broken down walls, fighting the good fight of faith together for our Nation to be saved! This was accomplished through worship, the Word and intercessory prayer for our Nation. The messages are available on our website's teaching page Intercessors For Ireland: <https://thevoiceofmybeloved.com/teachings-intercessors-for-ireland/>.

Being a very small ministry with few laborers and even less resources, this commissioning was daunting on every level! We spent the first two and half months of January 2018 working out a road map, relying solely on the Captain of our Salvation to guide and direct every step. Not once did, the only One called Faithful and True, ever fail us!

It was an amazing journey with the Lover of our soul. We met many precious gems, jewels – His Bride, along the way that we are forever indebted to our Great King, for giving them the grace and courage to partner with us, the most unlikely. Many new relationships have been established and a few more laborers have enlisted in the Lord's end-times army – PTL! We look forward with great joy to the seeing His plans unfold before all of our eyes in these relationships that are of eternal substance, and how we can help each other complete the works our Father has sent us to this earth to complete, individually and corporately.

After completing the meetings, and a short visit to the States soon afterwards, the Lord had brought me to a place of much needed rest – to wait and to hear His next steps. That time came to an end in early May, with new assignments becoming clear. I am not able to share in detail at this time, but look forward to in the coming weeks.

In the meantime, by the Lord's grace alone, I want to share the following:

1. On May 24, 2019, Ireland held local and EU elections. We have been praying fervently for years for change to come on a governmental level and calling forth the Irexit. TVOMB provided prayer points to many and encouraged prayer to go forth. This was a golden opportunity to come low before His throne of grace, as we will not have local/EU elections for another five years. A few conservator parties have emerged in the last couple of years, that

have a foundation of truth that needs to return to our government. But because our government is predominantly social liberalists, and the brainwashing that has come about from our unholy alliance and being enslaved to the EU, they did not fare too well. Politically, it is like trying to turn around a sinking Titanic with a very small rudder. But we did see change come and one party, People Before Profit, who are a far-left party, lost over half of their local seats – PTL! We see hope, but this will require our faithful, fervent prayers in order for change to come!

2. Four HOP have been established; one each in Co. Meath, Co. Kildare, Co. Wexford and Co. Cork. We have committed intercessors keeping watch. We are truly in awe of their sacrifice to pray and eternally grateful for their hearts of prayer. We continue to provide monthly prayer points to guide these times of prayer. We continue to pray for an increase in the number of Intercessors For Ireland who will join these HOP until they are 24/7.

3. The Good Shepherd continues to share His heart in the Living Parables. These parables are an account of my real-life encounters with the Good Shepherd, which are by His divine design. They take place on the countless prayer walks we have done, walking the beautiful farmland and coastal shores in County Kerry.
<https://thevoiceofmybeloved.com/teachings-the-good-shepherd/>.

4. We continue our Skype prayer calls, enabling those in other counties to join one of our weekly prayer watches.

5. We continue to keep two prayer watches a week, some weeks three.

6. We continue to keep praying for an increase of intercessors wanting to commit to a prayer watch.

As we move forward, we need your prayers and support more than ever:

1. Pray that TVOMB would be filled with the knowledge of His will in all wisdom and spiritual understanding, that we may walk worthy of the Lord, fully pleasing Him, being fruitful in every good work and increasing in the knowledge of God, strengthened with all might, according to His glorious power [Colossians 1:9-11].

2. Protection for all Intercessors For Ireland and their families: That no weapon formed against them will prosper.

3. Pray against all the evil schemes of the enemy: To cause delays or obstacles to this work. Apply the blood of the Lamb to the root of all witchcraft prayers against us to wither up and die at the feet of Jesus every time!

4. Pray for the right laborers to come forth: Who will rebuild the broken-down walls in our Nation God's way. Those who are like Joshua and Caleb, who are of a different spirit and who will follow the Lord wholeheartedly.

5. Pray for blessings, protection, strength, healing and provision: For all those who pray and support this ministry and work. We could not exist without them!

6. Traveling favors, mercies and protection: For the Blood of the Lamb to cover every detail and be upon all our road trips, all travel arrangements, all communications and great favor wherever our feet may land.

7. That the Lord would bring forth laborers who will sow sacrificially into this ministry: With their time, gifting's and resources. Specifically, for the Lord to bring forth intercessors who will have a burden for the work we are called to do [raising up 32 HOP], who will cover us and the intercessors in a wall of prayer.

8. Pray the Lord will bring forth the laborers who will sow financially into this ministry. Those who will partner with us on a monthly basis and be faithful each month in their giving, that our expenses can be covered.

9. Pray our finances will be met – to date our current needs are:

- Finances to purchase a vehicle.
- Finances for new MacBook Pro 15" that is used for worship, recording and live streaming.
- Finances to purchase land or a building to establish a HOP headquarters that can be our main hub of operation.
- Finances that all ministry expenses and personal needs will be met.

Forever thank you for standing with us, however the Lord leads. We are eternally grateful for you and your heart for prayer! We are especially grateful to all of you who carried us as we traveled into the counties – your prayers were powerful and answered every time, your sacrifice to give financially was always perfect in timing, that we were able to cover our costs – one meeting at a time. Most of all thank you for your sacrificial love that will never be forgotten for how you stood with us in our hour of need! May it all be to His glory and may the Lamb receive the reward of His suffering in the fullest measure, this Nation, as His rightful inheritance as He deserves [Psalm 2:8].

In His loving mercy,

Tracy Hogan
