

**Year-end Report:** December 31, 2020

Dear Beloved Friends and Intercessors For Ireland,

2020 has surely been a year of shakings – the beginning of sorrows, for all who are in the Body of Christ and for all who are of this world! In the midst of the shakings, the Lord continues to be faithful to direct our steps. We give all the praise, glory and honor to our Faithful Bridegroom King Yeshua, and our loving, gracious heavenly Father, for what He has accomplished in and through the ministry this year, for we can surely do nothing of our own abilities!

Equally, we give thanks and praise for each of you – for all your love, prayers, encouragement and financial support! For we truly could not continue to do this work without you!

Throughout this year, we have seen our nations go into lockdowns, implementing martial law – house arrest, all under the guise of our health and safety. Governments and mainstream media have pushed this evil, globalists' agenda creating fear and panic, by skewing the death statistics with the media reporting them daily. Many deaths have been recorded to have died with Covid-19, when they actually died from other illnesses.

We have seen mandatory laws sprout up overnight telling us how to protect ourselves from this virus. That we need to implement social distancing, face masks, handwashing and isolation to name a few. But what most are not aware of though, is that there is an evil agenda behind these orders that 'seem' to be for our good. They are occultic rituals designed by the Luciferians to try to strip us of our identity in Christ.

In the natural, they seem to be good and God does want us to be healthy. The Bible has examples of how He deals with diseases; the lepers were to isolate themselves. So we can see some parallels. But the difference is that those were God's holy ways to deal with disease with the lepers, and they applied to the sick only – not to the healthy. They were His way to heal and restore us. Whereas, the source of these current mandates is not from God, but is coming from globalists, who want to control and destroy us. Isolating both the sick and the well. These mandates are not designed to keep us well, but are actually designed to 'spiritually' control and destroy us.

For many, the enemy has been working overtime with despair, discouragements, illnesses, setbacks and losses too great to bear all trying to stop a Bride, who is making herself ready, from coming forth. Wanting us to believe it is impossible to complete the works that the Father has sent us to this earth to complete. But what Satan meant to destroy us with, the Lord is transforming us into His image and likeness, by bringing us to a complete death of our way of doing things. The shakings that have come upon us, are launching us into the fullness of His plans for us!

**With that said, I would like to share the following with you:**

**1. In early February**, as I traveled to Australia, as the Coronavirus endemic was threatening to become a pandemic, I witnessed the fear and panic that was gripping people's hearts with most wearing facemasks, in the Asian airports that I traveled through. As I pondered these things with the Lord, while waiting for my flights, I asked, *"Lord, is this going to become our new normal?"* At that time, 'new normal' was not a part of the narrative that has become a household term these days. In our February, March and April IFI meetings, the Lord wanted me to focus on the Coronavirus, better known as the "Plague of Corruption." Taking us through Matthew 24, Daniel 3 and 6 as our foundation, in how we can be prepared and what are response should be. That to be prepared and informed is to be armed. It was clear this 'plandemic' was a test run to help awaken and prepare His true church. To listen to the messages visit our **YouTube** channel or **website**.

**2. On February 8, 2020**, Ireland elected a new government. We have prayed for years for the Spirit of Pharaoh to be broken off our government. We are not there just yet – far from it, but we saw some victories come forth. Daniel 2:21 was the verse the Lord had given me for how we were to pray into this snap election, *“He changes times and seasons. He removes kings, and He sets up kings.”* This election was to be a ‘re-shuffling’ in the ‘game of chess’ so to speak. A re-positioning for His plans to come forth in the months and years to come. On the surface it looks like not much has happened, but in the spirit realm, He is moving on behalf of the prayers of the righteous in our land. One of the biggest victories that came forth, was our Minister of Children and Youth, Katherine Zappone, lost her seat. This woman is a publicly professed witch! This was a *vital* ‘king’ to be removed if we are to have a hope of a righteous government to come forth. We saw Regina Doherty, Minister of Employment Affairs and Social Protection, lose her seat. She advocated strongly for LGBTQ+ transgender laws. Another ‘king’ that needed removed! We saw those who were pro-life not lose their seats! Yet, despite these victories, the new Minister over our children is gay man, who strongly advocates the LGBTQ+ agenda, and he has ties to Peter Tatchell, a known paedophile advocate. His call for resignation by many in our land fell on deaf ears, while those who protested his appointment were accused of being homophobic and using hate speech. This requires our faithful, fervent prayers – for our anti-Christ government to be uprooted, and for a government of righteousness to be planted in its place.

**3. In late March**, after a sleepless night with concern for what was happening in our land, I entered into the prayer room just after 1 A.M., technically, 2 A.M. as the clocks moved forward in Ireland. After praying for some time, I sat on the floor, praying in the spirit and to wait on the Lord. Soon after, I had a powerful, Holy Spirit filled dream.

In the dream, I was standing in darkness, literally, praying fervently with my hands outstretched to the heavens on an elevated area, like a hill or small mountain that overlooked what was happening below – although all I could see was darkness. I was praying over the EU nations for faith to arise. As I called out the nations by name, I could feel my whole body filled with the power of God, moving upward through my arms as they were raised – knowing that power – His power, was being released into the nations, as I prayed. The power of God flowing was electrifying and overwhelming, that I was not aware of anything else as I called out the nations by name, praying the following:

*“Let faith arise over Slovakia. Let faith arise over France. Let faith arise over Germany”* and I called out other EU nations. As I was about to stop praying, I cried out in desperation, *“Let faith arise over Switzerland.”* As I prayed, I could see the nations were covered in darkness. End of dream.

It was significant that as I entered the prayer room the clocks were moving forward. This speaks prophetically that in this hour, if we are to move forward in the Lord’s plan, our faith *must* increase. Our faith increasing is *vital* not to only endure, but to persevere through the dark days that are getting darker. Faith is the opposite of fear. Without faith it is impossible to please Him. The Lord wants us to pray for faith to arise in His Body. For faith will destroy the fear that is gripping the hearts of His beloveds’ stopping them from being His Light in the darkness. Stopping them from being the antidote to not only the ‘Plague of Corruption,’ but stopping them from being prepared for the shakings that are yet to come in 2021. *When the Son of Man comes, will He find faith on the earth* [Luke 18:8]? Nine months later, I can better understand why the Lord wanted us as a ministry to start praying this way back in March!

**4. In April**, we hosted a glorious Seder with the Lamb of God, Who came and met with us tangibly, intimately and powerfully. At the same time, the Lord called me to another 40-day fast that was to end on May 29th, on Shavuot – or Pentecost, as some may know it. This call to fasting and prayer for our nation was to fight the good fight of faith against the globalist’s evil agenda that the ‘plandemic’ brought to our land, with some of the toughest lockdown restrictions in the nations! On the 10th day of the fast, the Lord revealed that as a ministry, we were to unite and pray for the last 30 days with dedicated time praying into Covid-19. We were to pray for our government, but equally for the true church in Ireland, as she had lost her voice, bowing to the anti-Christ governmental laws that sprouted up overnight, separating us from our God and each other.

**5. In May**, the Lord spoke to me again about the Cloud of God moving by giving me two vivid, prophetic dreams. That if we are full of the knowledge of man, we will not be filled with the knowledge of the glory of the Lord, which is vital if we are to move with the Cloud of God. If we want knowledge of man, we will listen to *persuasive arguments* and *beguiling speech*, causing us not to be positioned to transition for this new season of transitioning that is rapidly upon us. I shared in detail in our May 28, 2020 IFI meeting.

**6. On May 29, 2020**, we completed the 30-day unction to pray for our nation and the church regarding covid-19, by doing an hourly prayer call. From the beginning, I sensed we would see 'breakthrough' come forth in June. Our government had implemented a five-phase re-opening, with retail not opening until end of June, and hotels, cafes and restaurants not until end of July. All for no reason – other than to destroy us as a people, tribe, tongue and nation. We never saw a peak and our hospitals were empty despite what the fake news reported. On June 8th as we moved into phase two, our government announced two days prior that they were accelerating the re-opening. That all retail could open on June 8th, with hotels, cafes, restaurants to open at end of June. They had eliminated the fifth phase, therefore opening our economy in July and not August. This was vital if any business had a hope to exist. Yet, that breath of life was quickly squashed by the globalists agenda to enforce their draconian laws with the iron grip of Pharaoh coming forth from our government, who skewed the death stats creating more fear and panic.

**7. In mid-July**, I was to cancel our July, August and September IFI meetings, step aside from all ministry prayer watches and duties, and focus solely on finishing the writing of the second book that I had been commissioned to write over two years ago. I officially began writing on July 20th and despite my physical weakened state, the Lord downloaded everything that I was to write in three and a half weeks! After the editing and refinement process, the manuscript was sent to the publisher mid-September. It has been a battle ever since, which I had been forewarned, knowing it is a subject matter that most in the Body of Christ do not talk about, nor believe that we are to engage in the battle against this darkness that comes to destroy us – witchcraft! Lord willing, it will release early 2021!

**8. In October**, we resumed our monthly IFI meetings with our December 17th meeting – the eighth night of Hannukah, ending with a call for re-dedication and cleansing of our temples and His Sanctuary, that a holy revolt will come forth, arise and build the broken-down walls that desperately need rebuilt, starting with His Remnant!

**9. The HOP:** Co. Kildare, Co. Wexford, Co. Cork and Co. Galway continue to stand strong in the Lord. We continue to stand in awe of these faithful, focused and committed intercessors for their holy sacrifice to keep watch. Eternally grateful for their hearts of prayer! We continue to provide monthly prayer points to guide these times of prayer and keep praying for an increase in the number of Intercessors For Ireland who will join these HOP until they are 24/7.

**10. The Good Shepherd** continues to share His heart. The newest parable was released on July 1, 2020 – Recover, Redeem and Restore. May it be even more relevant now than it was when first released! Available as a free downloadable PDF: <https://thevoiceofmybeloved.com/teachings-the-good-shepherd/>.

**11.** We continue to offer our WhatsApp/Skype prayer calls, enabling others to join one of our weekly watches.

**12.** We continue our two prayer watches each week, as well as, a monthly corporate watch.

**13.** We continue the Covid-19 prayer call on Monday, Wednesday's and Friday 6:00 – 7:00 A.M via our [Freeconferencecall.com](https://freeconferencecall.com) prayer line.

**14.** We keep praying for an increase of intercessors who want to commit to a prayer watch.

Beloveds, as the acceleration of darkness increases, we continue to see the strong, iron grip of the Spirit of Pharaoh operating through the EU, the W.H.O. and the U.N. taking us into captivity more than ever as a people, tribe, tongue

and nation. We continue to see the elite's global plan to fearmonger people into taking a vaccine that will be the gateway to receiving the Mark of the Beast, using technology and health to bring about their new world order and one world religion. We continue to see the Pope promoting their agenda, by supporting the violence of Black Lives Matter, all the while condemning those who protest the draconian lockdown restrictions. In October Pope Francis endorsed same-sex marriages, and earlier this month stated that everyone should receive the vaccine and that it is okay that it has aborted baby's tissue in it!

At the same time, we see the false church rising up praying for a vaccine to save them, and not believing in the Healer whose name is Yeshua to heal and save them! We are seeing the separating of the wheat from the tares, the sheep from the goats in a greater measure.

But be of good cheer, beloveds, we are seeing the Bride of Ireland find her voice and openly pushing back against the darkness in our land, demanding that the church doors no longer be deemed un-essential and must be opened! We are seeing a holy revolt break out in our land with the true leadership coming forth – a company of pastors and leaders in our land known as Christian Voice Ireland. They are ones who are contending for the faith, who will overcome by the blood of the Lamb, by the word of their testimony and not love their own lives unto death. Praise the Lord, we have been praying for such a movement to come forth not just this past year, but for five years now!

A few days ago, the Lord spoke one word to me regarding 2021. That one word was, "turbulent." The image that I saw was when an airplane hits turbulence – it comes on suddenly. It is a jolting, and if severe and you do not have your seat belt on, you will get thrown all over the place. Beloveds, what we have been walking through in 2020 is only the beginning of the evil day that we are to stand against! The shakings are here. It will be much more wicked in the days to come. There will be more global plagues coming. Some will be man-made, while others will be the judgments of God. But as His praying Remnant, the Lord does not want us troubled, but to keep watch in prayer. We do not need to fear the evil schemes, but to be aware of them, and be prepared. To be prepared is to be armed. We need to hold on tightly to the Word of God like never before, and hold loosely to the words of man.

Remember, that when the plague broke out in the Israelite's camp, Moses sent Aaron into their midst with the censer and the plague stopped. Many lost their lives, but the point I want to highlight is that the Lord is looking to us, His Ekklesia, to be His antidote to the plagues, whether they are man-made or from God. He does not want us to be fearful. He wants us prepared to respond to Him in a way that will draw others unto Him. AMEN!

**As we move forward, we need your prayers and support more than ever:**

- 1. Pray that TVOMB would be filled with the knowledge of His will** in all wisdom and spiritual understanding, that we may walk worthy of the Lord, fully pleasing Him, being fruitful in every good work and increasing in the knowledge of God, strengthened with all might, according to His glorious power [Colossians 1:9-11].
- 2. Pray for blessings, protection, strength, healing and provision for all Intercessors For Ireland:** For all those keeping watches and their families, and those who pray and support this ministry and work. That no weapon formed against them will prosper. We could not exist without them!
- 3. Pray for the right laborers to come forth:** Who will rebuild the broken-down walls in our nation God's way. Those who are like Joshua and Caleb, who are of a different spirit and who will follow the Lord wholeheartedly.
- 4. Monthly meetings:** For every eternal purpose for why we are doing them will be fulfilled. For seeds sown to bring forth 100% fruit, for the laborers to unite, arise and build.
- 5. That the Lord would bring forth laborers who will sow sacrificially into this ministry:** With their time, gifting's and resources. Specifically, for the Lord to bring forth intercessors who will have a burden for the work we are called to do [raising up 32 HOP], who will cover us and the intercessors in a wall of prayer.

**6. Pray the Lord will bring forth the laborers who will sow financially into this ministry.** Those who will partner with us on a monthly basis and be faithful each month in their giving, that our expenses can be covered.

**7. Pray our finances will be met – to date our current needs are:**

- Finances for MacBook Pro 15” that is used for worship, recording and streaming.
- Finances to purchase and renovate property for our HOP headquarters.
- That ministry expenses and personal needs will be met.

Eternally grateful for you standing with us, however the Lord leads, and especially for your heart for prayer! May it all be to His glory with the Lamb receiving the reward of His suffering in the fullest measure, the nations, as His rightful inheritance. May the Lord be our Lamp and continue to lighten our darkness, as we head into 2021!

In His loving mercy,

Tracy Hogan
