

Update: June 21, 2021

Dear Beloved Friends and Intercessors For Ireland,

It is hard to believe the first half of this year has gone by – despite what seems like the plans of God being put into slow motion in our lives, with the globalist plans trying to bring in the great reset! Through it all, the Lord continues to be faithful to direct our steps. We can only give all praise, glory and honor to our Faithful Bridegroom King Yeshua, and our loving, gracious heavenly Father, for what He continues to do in and through the ministry, for we can surely do nothing of our own abilities! Equally, we give thanks and praise for each of you – for all your love, prayers, encouragement and financial sowing into the ministry! We could not be doing what we do without your support!

In the later part of December 2020, the Lord spoke one word to me regarding 2021. That one word was “turbulent.” The image that I saw was when an airplane hits turbulence – it comes on suddenly. It is a jolting, and if severe and you do not have your seat belt on, you will get thrown all over the place. I believe we could safely say thus far 2021 has surely been a turbulent year, with a few jolting’s along the way wanting to wake us out of our complacency that we would be prepared for the dark days ahead. If we are not securely fastened to the Word of God – to truth and pursuing truth in this hour as never before and like our lives depends upon it, we will quickly find ourselves unable to navigate through the lies – the dark storm clouds that are rolling in quickly wanting to steal our hope and faith and kill, steal and destroy God’s plans for us individually and as a nation.

As our nation started to lift restrictions last month, after a brutal 14 months of draconian lockdowns, we are seeing our government pushing the ‘mRNA experimental gene therapy,’ that they call a vaccine touting it to be our key to ‘freedom.’ The constant manipulated coercion coming from our government, using our corrupt MSM as their propaganda arm to promote their agenda, is being done with fear while shaming and restricting those who refuse to take the jab saying we are a health threat to society. This coercion to take the deadly jab has caused a two-tiered society to emerge – the vaccinated versus the unvaccinated, divisively pitting us against each other. Our government recently passed more laws giving themselves and our Gardai more powers to enforce the globalists agenda.

What we are seeing is the spirit of Hitler rise up once again, co-laboring with the spirit of Pharaoh. We are seeing it through the ‘vaccine roll-out’ in the nations, wanting to commit a world-wide genocide that will make what Hitler did to the Jews during WW2 like child’s play. I do not say those words lightly, for what Hitler did to the Jews I believe were the most horrific crimes ever committed against humanity! History is repeating itself only in a much eviler way! If you have not heard of Vera Sharav, I encourage you to hear what this courageous Holocaust survivor says about the similarities between Nazi Germany and today’s global elite: <https://www.youtube.com/watch?v=PdlWhuUFuKs>. What she shares should send chills up our spines and cause us to fall on our faces in sack cloth and ashes weeping over the sins of our nations!

As a child subject to the Nazi reign of terror, she knows the consequences of being stigmatized and demonized as being a ‘spreader’ of disease. What it was like to wear a yellow Star of David to identify and segregate Jews. Exclusionary laws barred the family from normal life, from attending ordinary activities, forbidden to participate in all educational, religious, and cultural gatherings. All travel was forbidden. She shares how under the Nazi regime, moral norms were systemically obliterated. How fear and propaganda were the psychological weapons the Nazis used to impose a genocidal regime. The medical profession and institutions were radically transformed, academic science, the military, industry and clinical medicine were tightly interwoven, like it is today. By using “public health threats,” the Nazis destroyed social conscience to the point classes of human were institutionalized. Eugenics-driven public health policies replaced the physician’s focus on the good of the individual, much the same as today’s propaganda telling people they need to wear a mask or take a Covid vaccine to help others. And how Nazi propaganda specifically used fear of infectious epidemics to demonize Jews as spreaders of disease, as a menace to

public health. If you are an “anti-masker” or if you are against the Covid vaccine, this demonization may sound all too familiar.

Beloveds, as His praying Remnant, the Lord does not want us troubled, but to keep watch in prayer. We do not need to fear the evil schemes, but to be aware of them, and be prepared. To be prepared is to be armed. We need to hold on tightly to the Word of God like never before, and hold loosely to the words of man, staying anchored in prayer.

With that said, I would like to share the following with you:

1. January, as a ministry we embarked on a 21-day Daniel fast linking our arms with several other church pastors and leaders in our land, calling for all their members to fast and pray that our voice would be heard in government and that church services would no longer be deemed un-essential. Sadly, not much was availed by this time of fasting and prayer, and the Church doors only recently opened on May 10, 2021. But the good fruit that did come forth, the Kerry HOP was officially started! In our monthly meeting, I shared a dream that I had that is relevant for all who are navigating their way through the darkness that is around us and how in this hour, we cannot afford to follow another voice and we must become a people who walk in unoffended love.

2. February, we saw an increase of laborer’s coming forth wanting to keep watch in Co. Kildare. In our monthly meeting, I shared about our God given authority that we are to walk in on this earth, as kings and priests of the Most High. And, at the same time, how so few are putting on the full armor of God, causing many wounded warriors on the battlefield who have taken unnecessary blows. That if we are to stand in the evil day that is upon us, we must not only be dressed in full battle array, but must engage in the battle through our intercessions, for our prayers are our only hope to enable us to overcome the darkness, His way! <https://www.youtube.com/watch?v=-kLwFkFuNWg>

3. March and April, became very busy months for us for reasons we were not anticipating, but were clearly what the Lord’s plan was for us all along, and that was to setup TVOMB as a publisher to facilitate the book publishing needs of the ministry. In our March meeting, I shared a series of dreams and experience that I had on March 20, 2021 to help awaken us as a nation to how late the hour is and that His judgments are going to only increase greatly, if we do not turn from our wicked ways, and cover this land with our tears of repentance. What the Lord had revealed was to encourage His Bride, as well as awaken us to truth so that we may pray for our nation like our lives depend upon it, because they do! <https://www.youtube.com/watch?v=djFNXUj8bg>. In our April meeting, I shared a dream that I had and our need to be in pursuit of truth in this hour like never before, and why it is hard for people to hear, receive and respond to truth when they hear it. May we be awoken to the truth that will set us free from the father of lies, who wants to keep us in slavery. <https://www.youtube.com/watch?v=mUIHPQhF1rw>

4. May, was quite busy with all that was involved in publishing *Bewitched & Beguiled – Wolves in Sheep’s Clothing*. It was published on May 4, 2021 and officially released on May 17, 2021. All glory to our Great King! We saw the Offaly HOP birthed by keeping watch! And in our monthly meeting, I shared on the rapid rise of anti-Semitism in our nation and how we are seeing it on levels that we have not witnessed in times past. And how on this one issue alone we have been weighed in the balance and stand before the Lord wanting greatly! For this is a serious and graven offense against the Holy One of Israel. If we are to fulfill our destiny as a people, tribe, tongue and nation, we must become a sheep nation and not a goat nation. May it encourage us to keep praying with persistent faith! <https://www.youtube.com/watch?v=9LIsNrPv2Yg>.

5. June, has been a transition month, a time of recovery and focus as we move into the 2nd half of 2021.

6. IFI Meetings, we continue the monthly prayer meetings, with our next meeting June 24, 2021.

7. HOP: Six HOP continue to stand in the Lord. We continue to stand in awe of these faithful, focused and committed intercessors for their holy sacrifice to keep watch. Eternally grateful for their hearts of prayer! We continue to provide monthly prayer points to guide these times of prayer and keep praying for an increase in the number of Intercessors For Ireland who will join these HOP until they are 24/7.

8. The Good Shepherd continues to share His heart. The newest parable was released on May 7, 2021 – A Holy Revolt! Available as a free downloadable PDF: <https://thevoiceofmybeloved.com/teachings-the-good-shepherd/>.

9. We continue our two prayer watches each week, as well as, a monthly corporate watch.

10. We continue the Covid-19 prayer calls on Monday, Wednesday and Friday 6:00 – 7:00 A.M via our [Freeconferencecall.com](https://freeconferencecall.com) prayer line.

11. We keep praying for an increase of intercessors who want to commit to a prayer watch.

As we move forward, we need your prayers and support more than ever:

1. Pray that TVOMB would be filled with the knowledge of His will in all wisdom and spiritual understanding, that we may walk worthy of the Lord, fully pleasing Him, being fruitful in every good work and increasing in the knowledge of God, strengthened with all might, according to His glorious power [Colossians 1:9-11].

2. Pray for blessings, protection, strength, healing and provision for all Intercessors For Ireland: For all those keeping watches and their families, and those who pray and support this ministry and work. That no weapon formed against them will prosper. We could not exist without them!

3. Pray for the right laborers to come forth: Who will rebuild the broken-down walls in our nation God's way. Those who are like Joshua and Caleb, who are of a different spirit and who will follow the Lord wholeheartedly.

4. Monthly meetings: For every eternal purpose for why we are doing them will be fulfilled. For seeds sown to bring forth 100% fruit, for the laborers to unite, arise and build.

5. That the Lord would bring forth laborers who will sow sacrificially into this ministry: With their time, gifting's and resources. Specifically, for the Lord to bring forth intercessors who will have a burden for the work we are called to do [raising up 32 HOP], who will cover us and the intercessors in a wall of prayer.

6. Pray the Lord will bring forth the laborers who will sow financially into this ministry. Those who will partner with us on a monthly basis and be faithful each month in their giving, that our expenses can be covered.

7. Pray our finances will be met – to date our current needs are:

- Finances for MacBook Pro 15" that is used for worship, recording and streaming.
- Finances to purchase and renovate property for our HOP headquarters.
- That ministry expenses and personal needs will be met.

Eternally grateful for you standing with us, however the Lord leads, and especially for your heart for prayer! May it all be to His glory with the Lamb receiving the reward of His suffering in the fullest measure, the nations, as His rightful inheritance. May the Lord be our Lamp and continue to lighten our darkness, as we run the race that is set before us!

In His loving mercy,

Tracy Hogan
