

Year-end Report: December 31, 2021

Dear Beloved Friends and Intercessors For Ireland,

2021 has surely been a year of turbulence where the Lord has been shaking everything that can be shaken so that all that will remain will be that which cannot be shaken! In the midst of it all, the Lord continues to be faithful to direct our steps. All praise, glory and honor be unto our Great King Yeshua, and our loving, gracious heavenly Father, for what has taken place in and through the ministry this year, for we can do nothing of our own abilities!

Equally, we give thanks and praise for each of you – for all your love, prayers, encouragement and financial support! For we truly could not continue to do this work without you!

In December 2020, the Lord spoke one word to me regarding 2021. That one word was “turbulent.” The image that I saw was when an airplane hits turbulence – it comes on suddenly. It is a jolting, and if severe and you do not have your seat belt on, you will get thrown all over the place. We can safely say 2021 has surely been a turbulent year. Many have suffered great loss – great grief and sorrow, from the sudden loss of loved ones, friends and colleagues to this wicked biological weapon of warfare known as Covid that works with its equally wicked co-partner in crime the ‘jab,’ which is nothing less than an experimental mRNA gene therapy, designed to murder us. For many the losses have been so great, so painful, so unbearable that at times it has seemed impossible to move forward in God’s plans for our lives.

Beloveds, despite what seems like endless sorrow and setbacks, we need to hold onto the fact that the Lord is wanting to use it for our good. He is a God of Eternal purpose and preparation. He wants us to be prepared for the days ahead for they are not going to be getting easier. We must pursue truth like our lives depend upon it, and know intimately the voice of the Lord and obey it or we will not know how to navigate through the darkness, His way. He is a God of hope and encouragement and He does not want us to lose hope, live in fear or lay on the battle field as a wounded warrior. Instead, He wants to strengthen our hands, knowing that our strength comes from heaven and He gives power to the faint and weary and to those who have no might, He increases their strength!

When seeking the Lord, during these last 40-days of 2021, for what 2022 will bring forth, the Lord spoke, *“The division is going to increase. That we will see the division increase within and outside the Body.”* I understood this to mean within the Church, governments, businesses, workplaces, families – all parts of society. Equally, He spoke, *“The shakings are increasing and as they increase it is more vital than ever before to keep our eyes on Him ... so few do and end up out of His will.”* [To read full word click here.](#)

With the nations spellbound by the Luciferian governments of this world who are trying to bring about their great reset that includes depopulating the nations, by making the ‘jab’ mandatory, we can see how the division could only increase. *Good against evil. Light against darkness. Truth against the lies. Liberty against slavery. Free speech against hate speech. Fear against faith. Love against hate.* The constant manipulated coercion from our government, using our corrupt MSM as their propaganda arm to promote their agenda, has been successful in getting 94% of our people to take this wicked jab. This coercion has caused a two-tiered society to emerge – the vaccinated versus the unvaccinated, divisively pitting us against each other, while shaming and restricting those who refuse to take the jab saying we are a health threat to society.

As we continue to see the spirit of Hitler rise up, co-laboring with the anti-Christ spirit, spirit of Pharoah and spirit of anti-Semitism, we are seeing our nation losing all traces of truth and righteousness no longer valuing the sanctity of life. As a people, tribe, tongue and nation, we are pursuing the diabolical powers of darkness in this hour as never before that are separating us from God, from each other and from fulfilling the destiny that He has for us as a nation.

Anti-Semitism is on the increase. On May 22, 2021, we saw 23 protests organised by the Irish Palestine Solidarity Campaign, in support of Palestine – terrorists. To date, there are 15 IPSC branches – five in the North and ten in the South. On May 23, 2021, a motion was made in government to expel Israel’s Ambassador Ophir Kariv and place sanctions on Israel. And on May 25, 2021, government declared Israel guilty of the annexation of Palestinian lands saying they took land that did not belong to them. Replacement theology has done great damage in our land to fuel the anti-Semitism, and mainly through the RCC, but other denominations are guilty, as well. As a nation, we are in graven error with regards to Israel. As it stands, we are a goat nation. If this does not change our nation and destiny will be destroyed. We are seeing the perfect spiritual storm colliding in our land. First, with the onset of Covid with the Spirit of Pharaoh wanting to keep us in slavery – separated from God and from each other, wanting us to worship the anti-Christ spirit’s draconian laws. Then the spirit of Hitler rising up successfully creating a two-tiered society – the vaxed versus the unvaxed, promoting the NWO agenda to depopulate the nations, where the vaccines will be used as a gateway to the MOB. We see the spirit of anti-Semitism joining those evil forces, all trying to mold, shape, form and conform us into an identity that is not the Lord Yeshua’s identity for us as a people, tribe, tongue and nation. On Feast of Trumpets 5782, the Lord gave me a powerful dream regarding the anti-Semitism in our land. As a ministry, will be praying into it strategically in March 2022. Details to come.

LGBTQ movement now known as 2SLGBTQQA+ is expanding its influence in our land. Recently, our Taoiseach proclaimed that Government needs to “work harder and better” at providing more support to transgender teenagers, saying there are many young people in Ireland who are not getting the support they need. He is committed to removing the need for 16 to 17-year-olds to have two specialist reports to apply for legal gender recognition. Instead, they would be able to self-declare with just parental consent. We love the people, but we hate the sin that this wicked agenda represents wanting to draw us further away from a holy God, Who says marriage is between one man and one woman, and that a boy born a boy is a boy, and a girl who is born a girl is a girl! Amen!

Euthanasia. We saw the ‘Dying with Dignity Bill’ hit legal obstacles this summer, but the enemy is relentless in his pursuit to get us to murder our people anyway possible. TD Gino Kelly, who introduced the bill, is planning to introduce a new bill called ‘End of Life Choice Bill 2022’ designed to overcome the legal challenges his current bill faced. Recently, New Zealand passed their assisted suicide bill giving power to doctors to murder covid patients who they deem will not recover from the virus or where the side-effects they determine are unbearable to the patient. Beloveds, these are evil days. May we grow weary and faint not, but keep watch day and night!

Volt, a new Irish political party want an EU superstate and an EU army. They are calling for the EU to be made into a superstate, with its own government, army and constitution, with plans to run in the next election. VoltEuropa, which was established in Hamburg, Germany in 2018, is a pan-European party with factions and chapters across numerous EU member states. The party’s self-stated primary goal is the creation of a “united, federal Europe,” and a “European government,” led by a “European prime minister” and “European President.” Moreover, European countries that currently have seats on the UN security council would have their seats merged into one, single European seat. To achieve their goal, they say there are referenda needed across the continent which would transform all the separate peoples of Europe into one – so rather than being French, or German, or Irish or Italian, we would all simply be “Europeans.” This requires our faithful and fervent prayers!

Beloveds, as His praying Remnant, the Lord does not want us troubled, but to keep watch in prayer. We do not need to fear the evil schemes, but to be aware of them, and be prepared. To be prepared is to be armed. We need to hold on tightly to the Word of God like never before, and hold loosely to the words of man, staying anchored in prayer. Equally, we need to hear and obey the voice of the Lord. For our obedience will activate the faith that we need to stay engaged in the battle that rages all around us wanting to kill, steal and destroy God’s plans for our nations.

With that said, I would like to share the following:

1. January, as a ministry, we embarked on a 21-day Daniel fast linking our arms with several other church pastors and leaders in our land, calling for their members to fast and pray that our voice would be heard in government and that church services would no longer be deemed un-essential. Sadly, not much was availed by this time of fasting and prayer, and the Church doors did not open until May 10, 2021. But good fruit did come forth, the Kerry HOP was officially started! In our meeting, I shared a dream that I had that is relevant for all who are navigating their way through the darkness and how in this hour, we cannot afford to follow another voice and we must become a people who walk in unoffended love. To listen: <https://www.youtube.com/watch?v=B6SY6RAWksc>

2. February, we saw an increase of laborers come forth wanting to keep watch in Co. Kildare. In our meeting, I shared about our God given authority that we are to walk in on this earth, as kings and priests of the Most High. And, at the same time, how so few are putting on the full armor of God, causing many wounded warriors on the battlefield who have taken unnecessary blows. That if we are to stand in the evil day that is upon us, we must not only be dressed in full battle array, but must engage in the battle through our intercessions, for our prayers enable us to overcome the darkness, His way! To listen: <https://www.youtube.com/watch?v=-kLwFkFuNWg>

3. March and April became very busy months for reasons we were not anticipating, but were clearly the Lord's plan was for us all along, and that was to setup TVOMB as a publisher to facilitate the book publishing needs of the ministry. In our March meeting, I shared a series of dreams and experience that I had on March 20, 2021 to help awaken us as a nation to how late the hour is and that His judgments are going to only increase greatly, if we do not turn from our wicked ways, and cover this land with our tears of repentance. What the Lord had revealed was to encourage His Bride, as well as awaken us to truth so that we may pray for our nation like our lives depend upon it, because they do! To listen: <https://www.youtube.com/watch?v=dijFNXUi8bg>. In our April meeting, I shared a dream that I had and our need to be in pursuit of truth in this hour as never before, and why it is hard for people to hear, receive and respond to truth when they hear it. May we be awoken to the truth that will set us free from the father of lies, who wants to keep us in slavery. To listen: <https://www.youtube.com/watch?v=mUIHPQhF1rw>

4. May was quite busy with the publishing *Bewitched & Beguiled – Wolves in Sheep's Clothing*. It was officially released on May 17, 2021. All glory to our Great King! We saw the Offaly HOP birthed by keeping watch! In our meeting, I shared on the rapid rise of anti-Semitism in our nation and how we are seeing it on levels that we have not witnessed in times past. And how on this one issue alone we have been weighed in the balance and stand before the Lord wanting greatly! It is a serious and graven offense against the Holy One of Israel. If we are to fulfill our destiny as a people, tribe, tongue and nation, we must become a sheep nation and not a goat nation. To listen: <https://www.youtube.com/watch?v=9LIsNrPv2Yg>.

5. June was a transition month. A time of recovery and focus as we moved into the 2nd half of 2021. In our meeting, I shared a powerful dream about the 'spiritual abortions' taking place in the Body of Christ, causing eternal relationships to end prematurely and mainly because of our unhealed wounds. May we keep praying for the eternal relationships that are in our lives to grow and mature and bring forth abundant, everlasting fruit, in due season! To listen: https://www.youtube.com/watch?v=34tyyPT1_uU

6. July, I shared in our meeting how the Lord does not want us to be troubled about these last days. Nor does He want us to be deceived, but prepared and armed to engage in the battle and how our faith must arise as never before! To listen: https://www.youtube.com/watch?v=6VS9_j_50uo

7. August, I was blessed to have personal time of ministry with dearly beloveds in the North and in the South. In our meeting, I shared how one of the best ways to be prepared for the days ahead is to cultivate a very intimate relationship with the Holy Spirit in our times of prayer, so that we can have an intimate relationship with the Lord Jesus and with the Father, Who want to lead us into all truth. To listen: <https://www.youtube.com/watch?v=u3Hnhvq-7ZQ>

8. September, we linked our hearts and prayers with Prayer Watch Ireland 2021 for their 40 days of worship and prayer. On Tabernacles I gave a message called *A Holy Habitation* to help His Bride to be prepared for her wedding day: https://www.youtube.com/watch?v=PTBR2PjI_7A. In our monthly meeting, I shared how we can no longer afford to be in the permissive will of God. That if we want to complete our Kingdom assignments and not exit this earth prematurely, we must put away all foolishness, vagueness and thoughtlessness and firmly grasp what the will of the Lord is for our lives. To listen: <https://www.youtube.com/watch?v=ziHw36D2rZA>

9. October, I shared in our meeting how it is better to obey than to sacrifice. For obedience is vital if we are to keep moving forward in His plans, at the same time, how our motive should be because we love Him. For when we do not have enough words to express our love for Him, our obedience says it all! To listen: <https://www.youtube.com/watch?v=WafUm71HcQ4>

10. November and December have been transitional months once again. At the Lord's beckoning, I was to set aside our meetings and just keep our watches and spend the last 40-days of 2021 waiting at His feet in fasting and prayer for His direction for the ministry as we move forward into 2022. For those who have held me up in prayer, forever thank you, it surely has been a time of testing and proving of my heart in ways I never saw coming!

13. HOP: Four HOP continue to stand in the Lord. Sadly, we took a hit this year for different reasons and saw less prayer go up than more. We continue to stand in awe of those who have remained faithful, focused and committed to keep watch. Eternally grateful for their hearts of prayer! We continue to provide monthly prayer points and keep praying for an increase in the number of Intercessors For Ireland who will join these HOP until they are 24/7.

14. The Good Shepherd continues to share His heart. The newest parable will be released in January. All parables are available as a free downloadable PDF via: <https://thevoiceofmybeloved.com/teachings-the-good-shepherd/>.

15. We continue our two prayer watches each week, as well as, a monthly corporate watch.

16. We keep praying for an increase of intercessors who will commit to a prayer watch.

As we move forward, we need your prayers and support more than ever:

1. Pray that TVOMB would be filled with the knowledge of His will in all wisdom and spiritual understanding, that we may walk worthy of the Lord, fully pleasing Him, being fruitful in every good work and increasing in the knowledge of God, strengthened with all might, according to His glorious power [Colossians 1:9-11].

2. Pray for blessings, protection, strength, healing and provision for all Intercessors For Ireland: For all those keeping watches and their families, and those who pray and support this ministry and work. That no weapon formed against them will prosper. We could not exist without them!

3. Pray for the right laborers to come forth: Who will rebuild the broken-down walls in our nation God's way. Those who are like Joshua and Caleb, who are of a different spirit and who will follow the Lord wholeheartedly.

4. Monthly meetings and prayer calls: For every eternal purpose for why we are doing them will be fulfilled. For seeds sown to bring forth 100% fruit, for the laborers to unite, arise and build.

5. That the Lord would bring forth laborers who will sow sacrificially into this ministry: With their time, gifting's and resources. Specifically, for the Lord to bring forth intercessors who will have a burden for the work we are called to do [raising up 32 HOP], who will cover us and the intercessors in a wall of prayer.

6. Pray the Lord will bring forth the laborers who will sow financially into this ministry. Those who will partner with us on a monthly basis and be faithful each month in their giving, that our expenses can be covered.

7. Pray our finances will be met – to date our current needs are:

- €3,000 for MacBook Pro 16" that is used for worship, recording and streaming. Approximately €500 towards this expense has been met.
- Finances to purchase and renovate property for our HOP headquarters.
- That ministry expenses and personal needs will be met.

Eternally grateful for you standing with us, however the Lord leads, and especially for your heart for prayer! May it all be to His glory with the Lamb receiving the reward of His suffering in the fullest measure, the nations, as His rightful inheritance. May the Lord make us to know our end and to appreciate the measure of our days, as we continue to run the race that is set before us!

In His loving mercy,

Tracy Hogan
