

**Year-end Report:** December 31, 2022

Dear Beloved Friends and Intercessors For Ireland,

As we close out 2022, we are seeing prophecy fulfilled before our very eyes. We are seeing an acceleration of events taking place around the world, all setting the stage for when the anti-Christ will set up his throne and reign over all nations. In the midst of it all, the Lord continues to be faithful to direct our steps as a ministry. All praise, glory and honor be unto Yeshua, and our loving, gracious heavenly Father, for what has taken place in and through the ministry this year, for we can do nothing of our own abilities!

January, marks the beginning of our eighth year of ministry in Ireland. We could not have existed, nor continue to do this work without you, and can only give thanks and praise for each of you – for all your love, prayers, encouragement and financial support! God is truly faithful in leading and feeding us all these years!

In early December 2022, the Lord spoke three words to me regarding 2023. Those three words were: *Persecution is coming*. The Lord, once again spoke those words on December 24th, saying, *“Persecution is coming. Persecution is coming to those who are and will overcome by the blood of the Lamb, by the word of their testimony – who will not love their life, unto death. You will see an increase in 2023 – it is not the end, but the beginning. It will only increase each year until My return. Keep watch, stay awake – keep praying that you will have the strength to be accounted worthy to escape these things that are coming – to be able to stand before the Son of Man. For those who love Me wholeheartedly and who will follow Me wherever I may lead, it will not be easy – difficult times are coming, but I will be faithful to provide everything they need. My Light and Love will increase in them. They will be a testimony to My name – a testimony of My love – a testimony of My mercy – a testimony of My miracle working power.”*

Persecution is not a new word, but I sensed it was a warning of its increase and coming in ways we have not yet experienced. Then I read about a UK woman who had been arrested a couple of weeks earlier for standing across the street, from a closed abortion clinic, praying silently in her mind. She was reported to the police as ‘someone who might be praying.’ The police asked if she was protesting, and she told them, no. They asked if she was praying, and she told them that she may have been in her mind. They then told her she was under arrest for praying.

We see the apostasy continues to reach new levels with a dean at the University of Cambridge defending a sermon given by one of his peer’s, teaching that Jesus has a trans body with the wound on His side depicting a woman’s vagina. Did any of us ever think that we would see a day where such wicked blasphemy is not only taught, but tolerated! <https://www.foxbangor.com/national-news/cambridge-dean-defends-sermon-about-jesus-trans-body-vaginal-side-wound-blasted-as-heresy/> At the same time, in November, the division continues with hundreds of churches leaving UMC, refusing to support the global Methodist Church views that support LGBTQ+ movement.

In September, I shared that a storm is coming - like a funnel cloud, black and fierce. And the question to be asked: will you still be standing when you come out the other side? We can see that storm taking form and in particular, the past three months.

On October 13, 2022, the EU Foreign Policy Chief Joseph Borrell stated that Europe was a garden and the rest of the world was a jungle and how they must protect themselves from it. Despite the backlash that came from this genocidal, racist statement, we saw President Emanuel Macron on November 18, 2022, while at the APEC summit in Bangkok, Thailand, referring to this “jungle” as he called for a “single world order” government to be established to bring peace to the world. A few weeks earlier, Macron had a private audience with the Pope, at the Vatican, to discuss their desire to promote peace in the world. All the while, our own Taoiseach met with Macron on November 24, 2022 to attend a signing ceremony for the Celtic Interconnector to move forward. It is an infrastructure that will link Ireland’s electricity grid to France and due to be completed in 2026.

In November, at the G20 Summit in Bali, the globalists - the cabal government leaders of the world voted unanimously to implement a Covid Digital Passport for international travel in order for people to be able to “move freely around.” Their plan is to implement it in 2023. All the while, Elon Musk’s company Neuralink, that has developed a brain chip that will allow the brain to control electronic devices, will begin human trials in six months. If successful, will these events mark the beginning of the seven-year tribulation period starting in 2023? In October, Terry Bennett prophesied that Macron is the anti-Christ and that the beginning of the end will start in January. Interesting enough, when you add up the numbers 2023, they equal seven. When you add 20+23, it equals 43, and when you add 4+3 of that sum total, it equals seven. Time will surely tell. May we have ears to hear and eyes to see, for the sign of the times are looming swiftly before us as we head into 2023!

**LGBTQ+, Gender Identity Crisis:** The ‘freedom of expression’ for the LGBTQ+ movement continues to accelerate shutting down those who oppose their views calling it hate speech. Our Department of Justice Minister Helen McEntee introduced new laws that will give the left freedom to defile the world with their filth, all the while bringing jail time for those who stand up for truth and godly lifestyles. We are seeing our children destroyed by the very ones who should be protecting them the most! The National Council for Curriculum Assessment [NCCA] is attempting to breach the constitutional rights of parents. The NCCA want to see RSE [Relationship and Sexuality Education] and SPHE merged into a single compulsory subject, effective September 2023. If this plan succeeds, parents will be denied the right to serve as the primary source of religious, moral, and social education of their children. Instead, Gender Identity Theory, Critical Social Justice theory and Queer Theory will be integrated into every school subject making it impossible for parents to remove their children from lessons where these radical and harmful ideological beliefs are taught. Our God is not a God of confusion and did not make a mistake when He created a boy a boy, or a girl a girl! *May we pray like our children’s lives and God given identity depend upon it, because they do!*

**Refugee Crisis:** The WEF and the Luciferian globalists created a crisis with the war between Russia and Ukraine, displacing millions who were left with nothing, from their evil plan to depopulate and crash the nations wanting to bring in their new world order. There is a very real need for these Ukrainian refugees. Yet, as our government refuses to vet those pouring into our borders, we are seeing an influx of ‘fake refugees’ who are not from Ukraine. All causing our citizens to reach breaking points, as our government continue to bus in migrants – mostly adult males, into communities throughout our land, causing women to fear to walk the streets, as many have been threatened or attacked by these migrants. *Lord, wake up our leaders to stop destroying our communities and economy!*

**Euthanasia:** The Special Oireachtas Committee on voluntary assisted dying is set to be established before the end of the year, if People Before Profit TD Gino Kenny has his way. Assisted suicide has been one of the WEF plans to depopulate the nations for years: <https://www.weforum.org/agenda/2009/01/live-and-let-die/> *May we not grow weary and faint not, but keep watch day and night for the vulnerable and the defenseless*

**Ireland joins EU army:** The EU is working on having its own “rapid military intervention force” to be ready as soon as 2025, according to a report last month by Die Welt. The EU describes the body as a “scalable military instrument,” with not just ground forces, but air and naval forces. Our former Defence Minister, Simon Coveney, has committed 120 Irish troops to this army, and said earlier in the year, “we could have up to 5,000 trained personnel.” This statement contradicts his previous statement in May 2021, where he said, “I want to be very clear that no discussions have taken place regarding the further militarisation of the EU or the creation of a European army...there are no plans for an EU army and if there were, Ireland would not be part of it.” *This requires our faithful and fervent prayers!*

**Covid Job Fallout:** We have been seeing the results of the wicked shot with millions of people around the world tragically dying suddenly or developing cancers, or permanently injured. The Lord spoke a word to me last December that we would see the fallout of this wicked shot in two to three years after it was introduced. We must pray for truth to prevail over every censorship and every lie the father of lies has spoken regarding the safety and effectiveness of the Covid jab. I believe every human being would benefit from seeing the documentary *Died Suddenly* to see the horrific damage and loss of life this jab has caused. I forewarn, content is unsettling: <https://rumble.com/v1wac7i-world-premier-died-suddenly.html>

Beloveds, we have reached a new pinnacle, where the day has come when believers are being persecuted for thoughts they are having in the privacy of their own mind, for praying words that no one else can hear. At the same time, we are facing real hardships with the soaring cost of fuel and supplies. Yet, despite the darkness increasing, the Lord does not want us to be troubled, but to be prepared by keeping watch, staying awake and praying always that we would have the strength to be accounted worthy to escape all these things that are coming and to be able to stand before the Son of Man. That verse is not an escape clause for believers to be raptured off earth while the great tribulation comes upon us, but a promise of protection for those who overcome by the blood of the Lamb, by the word of their testimony and do not love their own life, unto death – amen!

**With that said, I would like to share the following with you:**

**1. January**, we made the move to Telegram to facilitate our weekly calls and monthly meetings. In our monthly meeting, I shared how the spirit of Hitler is rising up in this hour as never before threatening to make what Hitler did during WW2 look like child's play. At the same time, how the Church, at large, is still asleep playing the harlot having forgotten His ways, loving and longing for Babylon. I shared a word given to me on December 13, 2021 that is meant to edify, exhort, provoke and encourage us not to stay on the sidelines of passivity anymore, for our lives truly depend upon it! And, equally, how faith is the opposite of fear and that we can only walk in authority over what we do not fear. **To listen:** <https://www.youtube.com/watch?v=Ycw83RLoj7E>

**2. February**, in our monthly meeting, I shared how our goal on earth, as a believer, should be to complete the works our Father has prepared for us to do, while displaying His nature – His character. That our number one call is to be conformed into His likeness, until Christ is completely formed within us that Paul spoke about in Galatians 4:19, for that is how the Son will be glorified in our lives, when our character matches His in our words, thoughts and deeds. **To listen:** <https://www.youtube.com/watch?v=HYabhCenJFg>

**3. March**, we had the holy honor to co-labor with beloved intercessors in the North on Purim, which happened to fall on St. Patrick's Day – very strategic by the Lord, to pray into a significant dream that the Lord had given me on Feast of Trumpets 2021 regarding the anti-Semitism in our land. Good fruit came forth from this time of intercession, decrees and prophetic acts with a breakthrough meeting in our government that took place in April to hear the truth about Israel from a panel of brave men and women, whose voices were not silenced. In our monthly meeting, I shared how the Spirits of Mordecai and Esther work together - in their priestly and kingly roles, to fulfill the eternal purposes of God in our lives and nation, as we confronted a war that has been raging in our Isle for decades called anti-Semitism. **To listen:** [https://www.youtube.com/watch?v=Xom4QH\\_NyGE](https://www.youtube.com/watch?v=Xom4QH_NyGE)

**4. April**, in our monthly meeting, I shared how the Lord is bringing restoration to all things. First and foremost, He is restoring a company of people, who are known as the Bride of Christ, the Overcomers and Sons of God, back to Original intent - back to that same place of intimacy that Adam and Eve had in the Garden, in the cool of the day, before the fall of man. As well as, He is going to give beauty for our ashes - especially from the toll these past two and a half years have had causing weary minds, emotions, fractured relationships and the plans of God for our lives to seem impossible more than ever to come to pass. May it bring refreshment, strength and encouragement to your soul! **To listen:** <https://www.youtube.com/watch?v=FAXGUFmK8WI>

**5. May**, in our monthly meeting, I shared how holiness is not an ideology – a system of ideas or ideals – but it is a state of being. It is not passive but active, therefore, holiness demands that we love the Lord with all of our heart, mind, soul and strength. As well as, when we suffer through our trials His way – that suffering produces holiness within our inward man and transforms our character to become like His. I shared a dream I had, in 2018, about the apostasy and witchcraft increasing in these last days and why we must be a people who intently pursue holiness, if we do not want to be deceived. **To listen:** <https://www.youtube.com/watch?v=NAalzrpngcs>

**6. June**, in our monthly meeting, I shared how a lifestyle of holiness causes His perfect love to cast out all fear, maturing and leading us into deeper intimacy with the Son, with the Father and with the Holy Spirit. May it be an anchor to your soul to help prepare you for these last days. **To listen:** <https://www.youtube.com/watch?v=YVT6iIUfR1Q>

**7. July**, in our monthly meeting, I shared how we cannot become the new wine without the oil – for the oil speaks of our relationship with the Lord and without it, there is no relationship. It speaks of those whose lamps are burning for Him alone with flasks of oil in reserve. The wine speaks of the transformation to take place when the new wine enters the newly prepared wine skins. It is that ‘oil and wine’ that Revelation 6:5-6 speak of that cannot be harmed in these last days. That ‘oil and wine’ represents a company of people who are making themselves ready. The Lord has been shaking everything that can be shaken in our lives. Why? He wants us to be prepared vessels whom He can fill to the brim with His glory, the 7 Spirits of the Lord – for that is His answer for the days ahead for those who are willing to be refined by fire! **To listen:** [https://www.youtube.com/watch?v=XiSB9t\\_nlQg](https://www.youtube.com/watch?v=XiSB9t_nlQg)

**8. August**, I traveled to the States for three weeks for a long overdue visit with family and the dearest of friends. It was the first time I traveled since February 2020 when Covid restrictions came into place. It was a very full time, with travel to three different states and driving close to 4,000 miles, but very fruitful with good fruit still coming forth!

**9. September**, was a busy month of preparation, putting in place practical physical needs for the dark days ahead. In our monthly meeting, I shared how the Lord tells us to strive to enter through the narrow gate and that if our house is built on Rock, when the rains, the floods and the winds come and beat against us, we will still be standing. I warned that in the days to come there is a ‘funnel cloud’ coming and our only option will be to go through it. The question is: will you still be standing, when you come out the other side – or will you have fallen? Are you prepared mentally for the dark days ahead, in addition to spiritually and physically prepared? Daniel forewarned that in these last days, the anti-Christ will come to weary God’s people, and that some of the wise and understanding will fall. The Lord wants us to stand and not fall. As His people, we must know the narrow road intimately in order to successfully navigate the storm that is coming! **To listen:** <https://www.youtube.com/watch?v=wmApon24wAc>

**10. October**, in our monthly meeting, I shared a word that I had received on January 1, 2022: *As the darkness increases - the dividing line becomes more clear.* And how we are seeing that take place in the nations – especially within the Body, as the apostasy and false anointing are increasing in those who say they have come in His name. Yet, despite the darkness and falsehoods increasing, we will see the true Bride come forth, shining brightly in these last days - pushing back the darkness, as the false bride tries to steal His glory. For He shall see the fruit of the travail of His soul, and be satisfied in vessels who are surrendering their will for His, and following the Lamb wherever He may lead! **To listen:** <https://www.youtube.com/watch?v=Q3cmuQJrG7o>

**11. November**, in our monthly meeting, I shared how purity and prayer go hand in hand and that how we choose to live our lives impacts our prayer life, either for good or for bad. And, how our relationship with Him, depending on how pure our hearts are, will affect every other relationship we have – either for good or for bad. That if we are to touch the heart of God, we must be a people who have clean hands and a pure heart. **To listen:** <https://www.youtube.com/watch?v=E8rUHi0WotE>

**12. December**, in our monthly meeting, I shared how our thanksgiving – meaning a heart posture of gratitude for all things all the time, and especially when it is not easy to do so, will be a key for us if we want to be found still standing when we come through the other side of that dark storm that is coming. For In the days to come we are going to have many opportunities to grumble and be disheartened and may we not be like the nine lepers who forgot His goodness and mercy in our hour of need. **To listen:** <https://www.youtube.com/watch?v=Ea48NQFNau>

**13. IFI Meetings:** next meeting is January 26, 2023. **To join:** set up a Telegram account and subscribe to our channel: <https://t.me/tvombministry> - it’s that simple!

**14. M-W-F Prayer Calls:** Monday and Wednesday's calls start at 6:55 P.M. Friday's call starts at 5:55 A.M. We pray for the Church and our nation on a governmental level. **To join:** set up a Telegram account and subscribe to our channel: <https://t.me/tvombministry> - it's that simple!

**15. HOP:** We keep praying for an increase in the number of Intercessors For Ireland who will join these HOP until they are 24/7 by committing to a 3-hour watch. We stand in awe of those who have remained faithful, focused and committed to keep watch. Eternally grateful for their hearts of prayer! We continue to provide monthly prayer points.

**16. The Good Shepherd** continues to share His heart in the newest parable *Hard Pressed, Yet Not Crushed!* All are available as a free downloadable PDF via: <https://thevoiceofmybeloved.com/teachings-the-good-shepherd/>.

**17.** We continue our two prayer watches each week, as well as, a monthly corporate watch.

**As we move forward, we need your prayers and support more than ever:**

**1. Pray that TVOMB would be filled with the knowledge of His will** in all wisdom and spiritual understanding, that we may walk worthy of the Lord, fully pleasing Him, being fruitful in every good work and increasing in the knowledge of God, strengthened with all might, according to His glorious power [Colossians 1:9-11].

**2. Pray for blessings, protection, strength, healing and provision for all Intercessors For Ireland:** For all those keeping watches and their families, and those who pray and support this ministry and work. That no weapon formed against them will prosper. We could not exist without them!

**3. Pray for the right laborers to come forth:** Who will rebuild the broken-down walls in our nation God's way. Those who are like Joshua and Caleb, who are of a different spirit and who will follow the Lord wholeheartedly.

**4. Monthly meetings and prayer calls:** For every eternal purpose for why we are doing them will be fulfilled. For seeds sown to bring forth 100% fruit, for the laborers to unite, arise and build.

**5. That the Lord would bring forth laborers who will sow sacrificially into this ministry:** With their time, giftings and resources. Specifically, for the Lord to bring forth intercessors who will have a burden for the work we are called to do [raising up 32 HOP], who will cover us and the intercessors in a wall of prayer.

**6. Pray the Lord will bring forth the laborers who will sow financially into this ministry.** Those who will partner with us on a monthly basis and be faithful each month in their giving, that our expenses can be covered.

**7. Pray our finances will be met – to date our current needs are:**

- Finances to purchase and renovate property for our HOP headquarters.
- That ministry expenses and personal needs will be met.

Eternally grateful for you standing with us, however the Lord leads, and especially for your heart for prayer! May it all be to His glory for the Lamb to see the fruit of the travail of His soul and be satisfied in the fullest measure, the nations, as His rightful inheritance! May we hear counsel, receive instruction and accept correction, that we may be wise in the time to come, as we continue to run the race that is set before us!

In His loving mercy,

Tracy Hogan
