

Year-end Report: December 31, 2023

Beloved Friends and Intercessors For Ireland,

As we transition from 2023 into 2024, we are seeing the Lord shaking everything that can be shaken, as never before. In the midst of it, the Lord continues to be faithful to direct our steps as a ministry. All praise, glory and honour be unto Yeshua, and our loving, gracious heavenly Father, for what He continues to do in and through the ministry, for we can do nothing of our own abilities! Equally, we give thanks for you! For all your love, prayers, encouragement and financial support. It would not be possible to do this work without you!

Earlier this month, while asking, *“Lord, what minute – what second is it according to Your time table, in this final hour that is upon the earth?”* I heard the Holy Spirit say, *“I AM shaking everything that can be shaken, that which cannot be shaken will remain.”* Hebrews 12:26-27 quickly came to mind. Many in the Body will think these shakings are of the enemy trying to destroy them. But they are by His divine design and timing to bring forth a pure and spotless Bride, who will bring glory to His name—in those who will follow Him wholeheartedly. As the shakings come, if we rely on our own strength, wisdom and understanding to navigate through them, we will miss their eternal purposes for our lives. May we keep our eyes firmly fixed upon the Lord, that we can hear and obey His voice.

On October 7th, near the Gaza border, when Hamas terrorist slaughtered lives in the most barbaric ways, we witnessed the hordes of hell unleashed upon the earth, as not seen in modern times. The Lord highlighted to me, soon after the war started, that the *‘dividing line’* had been clearly drawn and that line is Israel. That the separating of the goats from the sheep—people and nations, is taking place. That the Lord is judging people and nations for how they are responding to Israel in her hour of need. And, that those who stand with Israel—on the right side of truth, will suffer greatly. That understanding soon became our reality these past three months, as we saw the hatred and violence erupt in the nations, against those who stand with Israel—off the charts!

Beloved, if we think His Church is going to escape the persecutions, we are being led astray. What took place in Israel—the barbaric persecution to the Jews, is coming to His Church. It is a spiritual principal—whatever first takes place in Israel, then comes to the Church. Are you prepared inwardly? Will you give in or give over to the darkness that wants to destroy you and your loved ones? Or, will you be faithful to stand with the Lord—to the end?

The Lord does not want us to be fearful, but prepared. Yet, nothing will stop God’s plans for our lives faster than when we walk in fear. For when we do, it plants a seed of doubt. And that seed grows into unbelief, causing us to become faithless and not trusting in His abilities to help us. We must become faithful people, full of faith in order to overcome! For without faith, we cannot please God. But when we walk in faith and faithfulness, we will come to that place of undivided devotion, with dove’s eyes for Him. We will overcome by the blood of the Lamb, by the word of our testimony, not loving our lives unto death. We will know that He who is in us is far greater than the darkness that wants to destroy us.

As the apostacy increases, we see more prominent Christian leaders joining the false unity movement, believing that they can return to Babylon—to the RCC, when the Lord is calling His people out of Babylon. Recently, Pope Francis blessed same sex unions saying, *“That asking for a blessing can be the best possible thing in certain situations.”* And, *“It is a seed of the Holy Spirit that must be nurtured, not hindered.”* All the while, the WEF and their puppet Yuval Noah Harari, want to rewrite the Bible to be ‘inclusive’ using AI. Keep in mind, it was Yuval Noah Harari who said, *“Covid was the moment when everything went digital. When we agreed to be surveyed all the time and that surveillance went ‘under’ the skin.”* And that how in the future our brains and body parts will be connected to the ‘internet’ and that if we are not connected, we won’t be able to survive.

With the explosion of AI, we are rapidly moving towards their goal. Mika, engineered by Hanson Robotics, has become the first AI CEO for Dictador, a Polish company. Unitree Robotics, based in China, has engineered what they say is the most powerful robot, whom they named H1. Unitree's vision is to make robots as common and affordable as smartphones and drones. They say, *"It is a robot that can truly walk among us, and maybe even become one of us."*

Anti-Semitism: With the war in Israel, we are seeing the terror of death in the air, as violent hate crimes against Jews are escalating in the nations. Sadly, Ireland is one of the most anti-Semitic nations in the world promoting the 'lie of Palestine.' Today, we stand before the Lord as a 'terrorist' nation. For decades our roots have gone deep with our ties to the IRA. As a nation, our hands are covered in blood for our extreme hate towards Israel. Soon after the war began, Ireland gave €13 million to support UN/UNWRA. In 2023, we have given a total of €29 million. Over the decades, we have given billions for 'humanitarian aid' to these terrorist organisations, who refuse to acknowledge that Hamas are terrorists, who use that aid to fund their terrorism. We have many Palestinian NGO's who spread their hateful rhetoric against Israel, who are favoured by our leaders. Ireland Palestine Solidarity Campaign is the worst, with 21 branches in different counties in the North and South. They have been rabid in their actions the past two months organising 'river to the sea' marches or events, calling for the removal of Jews and Israel off this earth. Some days, holding up to four different 'hate events' on the same day! Our government has done nothing to stop them. Instead, they have focused on how they can punish Israel. Last month, they took a vote to expel the Israeli Ambassador, to put sanctions on Israel and to bring 'charges' against Israel in the ICC all for defending themselves on October 7th. Thank God that motion failed! But soon after, Dublin City Council voted to raise the Palestinian flag for seven days over Government's building, in solidarity with the Palestinians. For our nation to become a sheep nation, true repentance—godly sorrow with tears, is needed from both inside and outside the Church. *We must fervently pray for anti-Semitism—this 'cancer,' to be uprooted out of people's hearts, and for truth to destroy the lie of Palestine and the hate that it breeds. Lord, forgive and save, they know not what they are doing!*

Migrant Tensions, Riots: On November 23rd, an Algerian, who has resided in Ireland for 20+ years, stabbed a woman and three small children, ages five and six, outside their school. For years, Government has flooded our land with migrants, with close to 100K in the last couple of years. Many are males from Muslim nations and have nothing to do with the Ukraine refugees. This massive number of migrants has put an unbearable pressure on every part of society: housing, schools and healthcare. Government has provided generous hand-outs, leaving our own without in many cases. We already had a housing crisis before this flood of migrants. Cost of living has skyrocketed the past two+ years due to the 'plandemic' and 'created' Russia/Ukraine war. Rent and mortgages are astronomical. Most families find it hard to make ends meet. With tensions at a boiling point, rioting and looting took place that night in Dublin. Many were shocked, including our politicians. But they should not be, for they are primarily responsible for the violence by their liberal-left, open border policy that has crippled our communities. And, equally, for not condemning the hate marches that have been taking place. Our Taoiseach's response to the riots was not to take responsibility for the migrant issue, nor the hate that our anti-Semitic politicians have promoted by saying nothing to condemn the hate marches. Instead, he chose to condemn the violence as being 'far-right' racists thugs, who brought shame upon Ireland, and that they are working on additional 'hate speech' laws. As believers, we are not for the violence. But the violence is a symptom of a bigger issue and what happens when a nation is void of truth and refuses to follow the Living God. Soon after the riots broke out, a dear brother texted, *"Without Jesus everyone is losing their mind in this world."* A true word! *May we keep praying as if our lives depend upon it, because they do!*

Safe Access Zones Bill: This bill passed in the Dail last month with 117 votes in favour and 10 votes not in favour. It is now in the Seanad for further debate. This bill will make peaceful protest for protecting the rights of our unborn, within 100 metres of any GP clinic, hospital or family planning centre, a criminal offense with fines up to €2500 and six months in jail. A person praying silently within these boundaries could be arrested for 'thought crimes,' like what has been happening to Isabel Vaughan-Spruce in Birmingham, UK. This bill is about shutting down pro-life views and denying women who want to receive help when they need it the most. *May we keep praying that our women will make the choice not to abort their babies, despite Government making it so easy for them to do so!*

Hate Speech Laws: Ireland's hate speech bill is among the world's 'most draconian' a US House Judiciary Committee on government censorship has heard. The law would criminalise possession of materials 'likely to incite violence or hatred' even if it was never shared with anyone. A person could end up in jail for 'thought' crimes, or if they refuse to provide their password for their devices to the Gardai. The laws could make it illegal to criticise immigration or LGBTQ+ policies. It is to protect 'genders other than that of male or female.' However, Government has 'no official position' on the number of genders covered by the law, nor are they able to define with clarity, what is hate. *May we not grow weary and faint not, but keep watch day and night that we may be found faithful to the end!*

Euthanasia: The Oireachtas Joint Committee on assisted suicide has been meeting since October. This month, they heard the potential impact that legalising assisted suicide could have on palliative care. The Association of Palliative Medicine shared with the committee that 82% of their membership are against this legislation, as they believe that there will be incorrect deaths. Including those who are struggling with mental health problems, older people who are victims of elder abuse, or people with an incorrect medical diagnosis. They further shared that the Irish Palliative Medicine Consultants Association is "*fundamentally opposed to the introduction of assisted dying, assisted suicide or euthanasia,*" and added that any change to the current legislation would be "*regressive.*" *May we continue to pray for our vulnerable and defenseless ones to live and not die at the hands of man. Amen!*

Digital ID – eID: The European Parliament and member states last month reached an agreement on introducing the European Digital Identity, known as eID, where citizens will have a unique European digital identity. EU Commissioner Thierry Breton said, "*Now that we have a Digital Identity Wallet, we have to put something in it...*," suggesting a connection between the Central Bank Digital Currency and eID. The eID enables people to access online services from other EU countries, open a bank account, filing tax returns and store medical information. Interesting to note, 70% of Ireland's legislation comes from Brussels. *May we be found faithful to the end!*

Beloved, the hour is getting later. The darkness is increasing. And the Lord is looking to us, His Ecclesia, to push it back—to be His Light in a place of darkness. We cannot stop it altogether, for prophecy must be fulfilled, but our prayers can push it back enabling every soul that can be saved, to be saved, and for every captive that can be set free, to be set free, that nations can be saved. Our intercessions are needed more than ever! *May rivers of grace flow in us and through us, as He transitions us into 2024!*

With that said, I would like to share the following with you:

1. January, in our monthly meeting, I shared a word that I had received on December 24, 2022 calling His people back to undivided devotion, and how the Lord is calling His people out of Babylon – out of falsehood, futility and emptiness as never before. And how in these last days there is going to be a great washing taking place in His Bride's heart: a washing with the intimate fellowship of the Holy Spirit, a washing with the unadulterated Word of God, a washing with the refinement of His fire, all washed with the blood of the Lamb to bring forth a pure and spotless Bride who will have undivided devotion – dove's eyes, for the Lover of her soul alone! **To listen:**

2. February, in our monthly meeting, I shared how we must let Philippians 4:8 be the filter that our thought life passes through taking every thought captive and be constantly renewed in the spirit of our mind, living a lifestyle of abiding in love, for it is our protection for the turbulent days ahead. If we do, then we will love Him with all of our heart, soul, mind and strength, and be a testimony of His name, a testimony of His love, a testimony of His mercy and a testimony of His miracle working powers in the midst of the darkness all around us! **To listen:**

3. March, in our monthly meeting, I shared how strikes, protests and violence have become our new normal disrupting life as we once knew it, causing all of creation to groan a lot louder for the sons of God to come forth. And,

at the same time, how we must become love like our lives depend upon it – for that is the answer to the turbulent days ahead. For if we do, we will be transformed by that love and become vessels who will be a testimony of His love – a love that no man can kill, all for His glory! **To listen:** <https://www.youtube.com/watch?v=0t3Tz0n3wXg>

4. April, I was able to write the new book, *Touching the Heart of God – Clean Hands and A Pure Heart*, that the Lord had confirmed that I was to write, in late March.

5. May, in our monthly meeting, I shared what it means to be a testimony of His name by becoming the nine fruits of the Spirit. For when we do, we will bear His name. We will represent His character to those around us, that desperately need a revelation of His Love and Light as the days become more turbulent. At the same time, to bear His name—to be a testimony of it, means we will face persecution. For it will be unavoidable to those who love Him with all of their heart, soul, mind and strength. **To listen:** <https://www.youtube.com/watch?v=7-mUMqPpoc>

6. June, in our monthly meeting, I shared how faithfulness is a fruit of the Spirit that is necessary to know the Lord intimately. It is greatly desired in our relationships, yet often it is lacking. And that it is vital to know the ‘eternal relationships’ that God has for our lives. For when we do, we will not abandon them when they go through seasons of pruning. Instead, they will mature and produce His character in us, if we do not abort them prematurely. Our faithfulness to those relationships can look like everything is being destroyed, while He is proving our hearts. But if we strengthen ourselves in the Lord, like David, He will be faithful to those who are faithful to Him and recover that which has been lost and destroyed. **To listen:** <https://www.youtube.com/watch?v=Hlfj2IICcYo>

7. July, in our monthly meeting, I shared how there is a war raging all around us. An unholy fire burning out of control, trying to destroy our children’s true identity. All the while, the Church’s voice has been deafening in our land with a lot churches becoming ‘inclusive’ by embracing these alternative lifestyles. And because of it, we have a lot of spiritual orphans more than ever, with so few true spiritual fathers fighting for them to grow up in their God given identity. **To listen:** <https://www.youtube.com/watch?v=iNtdpWg93Lo>

8. August, *Touching the Heart of God – Clean Hands and A Pure Heart* released August 2, 2023. The book lays a foundation for the Bride of Messiah to walk upon that will help that Bridal Company to be prepared for the Wedding Supper of the Lamb, all the while entering into a deeper, intimate relationship with Yeshua through that place of intercessory prayer. In our monthly meeting, I shared how an unholy fire is burning out of control through the Marxist agenda known as Climate Change that wants us to worship the created and not the Creator. At the same time, we were blessed to have Mary O’Sullivan share a timely word encouraging us that we must know the joy of our Salvation. For if we do, we will be able to stand in these last days, and not be succumbed by them. **To listen:** <https://thevoiceofmybeloved.com/teachings-intercessors-for-ireland/>

9. September, monthly meetings were put on pause, at the counsel of the Lord, as He swiftly moved us into a season of waiting. At the time, it was impressed upon my spirit that 5784 is going to be a year of acceleration and fruitfulness for those who hear His counsel, receive instruction and accept correction that they may be wise in the time to come. We were to press into our M-W-F prayer calls and bi-weekly watches, while waiting for the Master Builder to establish our steps and direct them according to His eternal purposes.

10. October, November, December, once the war broke out in Israel, the Lord quickly had us shift our prayer focus, starting Monday, October 9th. We were to pray for Israel during our M-W-F calls and for part of our watches on Tuesday’s and Thursday’s. We were to keep that pace through December 15th. Much gratitude to those who joined our times of prayer during this very critical transition time for Israel and the nations!

11. M-W-F Prayer Calls: Resume January 1, 2024. Monday, Wednesday calls start at 6:55 P.M. Friday's call starts at 5:55 A.M. We pray for the Church and our nation on a governmental level. **To join:** subscribe to our channel: <https://t.me/tvombministry>.

12. HOP: We keep praying for an increase in the number of Intercessors For Ireland who will join the HOP until they are 24/7, by committing to a 3-hour watch. We stand in awe of those who have been faithful, focused and committed to keep watch. Eternally grateful for their hearts of prayer! We continue to provide monthly prayer points.

13. The Good Shepherd continues to share His heart in the newest parable *A Very Present Help in Trouble!* Available as a free downloadable PDF via: <https://thevoiceofmybeloved.com/teachings-the-good-shepherd/>.

14. We continue our Tuesday and Thursday prayer watches each week, as well as, a monthly corporate watch.

As we move forward, your prayers and support are needed:

1. Pray that TVOMB would be filled with the knowledge of His will in all wisdom and spiritual understanding, that we may walk worthy of the Lord, fully pleasing Him, being fruitful in every good work and increasing in the knowledge of God, strengthened with all might, according to His glorious power [Colossians 1:9-11].

2. Pray for blessings, protection, strength, healing and provision for those keeping watches and their families: That no weapon formed against them will prosper — for divine health and protection!

3. Pray for the laborers to come forth: Those who will rebuild the broken-down walls in our nation God's way. Those who will be like Joshua and Caleb, who are of a different spirit and who will follow the Lord wholeheartedly.

4. Monthly meetings and prayer calls: That every eternal purpose for why do them will be fulfilled. For seeds sown to bear 100% fruit, for the laborers to unite, arise and build. That a pure and spotless Bride will come forth!

5. For the Lord to bring forth laborers who will sow into TVOMB: With their time, intercessions, giftings and resources. For the Lord to bring forth those who have a burden for the work we are called to do [establishing 32 HOP], and who will build with us.

6. For the Lord to bring forth laborers who will sow financially into TVOMB: Those who will partner with us on a monthly basis and be faithful each month in their giving, that our expenses can be covered.

7. Pray our finances will be met – to date our current needs are:

- Finances to purchase and renovate property for our HOP headquarters.
- That ministry expenses and personal needs will be met.

Eternally grateful for you standing with us, however the Lord leads, and especially for your heart for prayer! May it all be to His glory, for the Lamb to see the fruit of the travail of His soul and be satisfied in the fullest measure, for the nations to be saved, as His rightful inheritance! *May those who err in spirit come to understanding, and those who murmur discontentedly, accept instruction.* May we continue to run the race that is set before us!

In His loving mercy,

Tracy Hogan
