

**Year-end Report:** December 31, 2024

Beloved Friends and Intercessors For Ireland,

Firstly, I want to thank you for all your prayers, endless love, encouragement and financial support. To those who responded to our financial need—forever thank you for pouring out extravagantly—it was truly humbling. And thank you for your continued prayers for monthly financial partners, as we still need partners. Yet know, we are grateful for how the Lord provides, and for His faithfulness to do so, over the years. All praise, honour and glory be unto Him, knowing that we can do nothing of our own abilities. We give thanks for you—in all your ways of standing with us, knowing that we would not still be here without your continued support! With that said, I will begin.

In this late hour, we are seeing an increase of the separating of the goats from the sheep—those who will stand with Israel versus those who will not. We are seeing an increase of the separating of the profane from the holy within the Church—those who will bear the fruit of the Spirit versus those who bear the spirit of this world. What we have been seeing, over the past year, is the dividing lines becoming clearer in both individuals and within nations. Last December, I had released a partial word that I had received about the shakings to come. The full word is as follows:

*“So many of My children seek the gifts but fail to let those gifts operate through them as yielded vessels, to the fruit of the Spirit. Many have used them [gifts] for selfish gain and fame—building their own kingdoms, because of it. In this hour, I AM separating not only the goats from the sheep – those who stand with Israel, My first born, but the profane from the holy. Many will be surprised in this late hour to see ministries, leaders fall as My hand comes upon their lives, revealing their fruit. Their fruit has not been My fruit. They did not love My fruit and pursue it. Therefore, they produced their own fruit—the motives of their unrefined and impure souls. Fear not, the separating, the purging, the purifying, the realigning. I AM separating unto Myself those who are pure in heart, who have and will follow Me wholeheartedly—who will be faithful to the end. Those who will not love their own lives unto death. Many of man’s plans [His people’s] are going to fall apart—crumble before their eyes. I AM shaking everything that can be shaken, that which cannot be shaken, will be what remains. Many will think it [the shakings] is the enemy coming to destroy them, when in fact, it is I Who is ‘undoing’ them, giving them every opportunity to humble themselves, pray seek My face so that they can hear from heaven—hear My voice and obey Me, that I can bring redemption and restoration to their lives. I AM raising up what most in the Church, today, considers the ‘nobodies.’ I will use this group of people—the uneducated by man’s standards but trained by My Holy Spirit, mightily in these dark days. They are surrendered, yielded vessels, who hear My voice, who obey Me no matter what the cost, who have been shut up, shut down and rejected by man, and especially by those in the Body. These surrendered vessels will be a testimony of My Love, of My Light, of My name, of My mercy, of My miracle working powers—of My faithfulness. They will build with Me and not against Me. They will seek Me while I can still be found and call upon Me while I AM still near. And because of it, no eye has seen, no ear has heard and no one’s heart could imagine all that I will do in and through them, because they love Me with all of their heart, soul, mind and strength.”*

In 2024, we have seen His shakings come jealously upon churches, ministries and leaders giving them every opportunity to repent and humble themselves under His almighty hand that He could bring restoration to their lives—not necessarily to their ministries or churches, as many have proven to disqualify themselves to steward His lambs. Most who have been exposed have tried to defend themselves by blaming the enemy. Yet, they have failed to see it is the Lord Who is shaking them. Therefore, they are still trying to save their name, reputation and platforms.

It has been sobering, heart breaking and hard to take in the depth of sexual sin, sexual abuse and spiritual abuse that has taken place, hidden and covered up for decades. All the while a ‘fleecing’ of the flock for personal fame and gains. It has been hard to bear how those exposed have not repented publicly for the shame and reproach that their ungodly lifestyles have brought upon the Lord’s name and the Body. I say that not as a pointing of the finger. But as an observation, knowing that repentance is a gift to all of us and the only way for restoration to take place.

In His great love and mercy for His Church, these shakings have been by His Divine design to purge His Church from everything that is profane. He is shaking publicly, because these leaders thought they could hide their sin. These shakings are to awaken those who have tolerated that woman Jezebel by dining and supping at her table of idolatry [self] and sexual immorality. They are to awaken those who have not discerned Jezebel's false words that comes to seduce, flatter, manipulate and control. These shakings are for all, to bring sobriety to any of us who think that we stand, lest we fall. Yeshua warned that even the elect can be deceived. May we take heed in this late hour, as the separating, purging, purifying and realignments continue, to discern accurately that no one would deceive us.

While seeking the Lord for 2025, I heard one word: *"realignment."* I believe, as He continues to separate the goats from the sheep, the profane from the holy, we will see many realignments take place. A realignment of priorities, relationships—how we choose to spend our time. A realignment in churches, ministries and leadership. Out with the those who will not walk humbly and repent for their profane ways. And in with the nobodies by man's standards, the fearless and pure ones, who will not tolerate that woman Jezebel or any filthy thing. A realignment of bad fruit, in exchange for the fruit of the Spirit, realigning godly values in hearts who will be convicted of sin, taught righteousness and forewarned of judgments. A realignment of self-will, in exchange for His will.

In March, while in a time of waiting, I heard the audible voice of the Holy Spirit speak: *"Contend for the holiness of God."* My response, *"Lord, I want Your holiness to permeate every area of my being."* I can better understand now why that was spoken, not knowing what was going to be revealed in the days ahead, within the Church and within the false Church. Did we ever think that we would see the day when a male stripper was the main attraction at a men's conference? That abomination took place in April. My first thought, the prophecy that David Wilkerson made decades ago that there would be a day when nudity would be in the Church. Remember the Summer Olympics in Paris? May we never forget the blasphemous mocking of the Lord's Supper, during the opening ceremony. Beloved, not only do we need to contend for our faith in this final hour, but we must contend for the holiness of God to permeate every area of our lives, as that woman Jezebel will only keep trying to seduce and to pervert the truth.

Equally, we must contend with the dangers of AI and ChatGPT that has exploded in the last couple of years. I believe that AI is a gateway to the anti-Christ. It is the modern-day tower of Babel being built rapidly before our eyes. Alan Didio shares in his book *Summoning the Demon: AI, Aliens & the Anti-Christ*, *"That in the 1950's knowledge was doubling every 20-30 years. Today, knowledge is doubling every 15 months. Our phone has more technology than the first space shuttle."* For those who are able to interpret the sign of the times, AI is not our friend. May His Warrior Bride be prepared to contend with AI, aliens and the anti-Christ in the days ahead. May God help and strengthen us!

**Anti-Semitism:** It has been a devastating year for those who support Israel in our land. Our anti-Semitic ways are off the charts, with Ireland being a forerunner to persecute Israel any way possible. We saw the damaging influence of Ireland Palestine Solidarity Campaign gain ground, like gangrene. Before the October 7, 2023 pogrom, they had 15 branches in various counties, both South and North. Today, they have 34 branches spreading the lie of Palestine and the hate and murder that it breeds. Some months, they had 45+ 'hate events' taking place in our towns and cities, in a two-week period. While nations were defunding UNWRA for being a terrorist organisation, we gave them €20million in 'aid.' In April, our Government made the move to devest €3million in companies based in what they define as "illegal Israeli settlements." Later that month, a two-week campaign, *'Lets Talk About Palestine'* plagued our schools to indoctrinate our children with anti-Semitism. Its entire historical narrative was selective and dishonest. The curriculum demonised Israel as an apartheid state, accusing Israel of genocide. It called for Irish schools to raise the Palestinian flag and to make our schools an 'apartheid free zone.' In May, Ireland joined Spain and Slovenia and unilaterally recognised Palestine as a State. Our seal of approval was to fly the Palestinian flag over Leinster House. In September, President Higgins sent a congratulations letter to Iran's new President, then accused the Israeli Embassy in Ireland for 'leaking' that public information, inciting more lies and hate towards Israel. Our Taoiseach, Simon Harris, furthered the lie of Palestine by meeting with terrorist leader Abbas that same month. This month, Ireland joined the South African ICJ genocide case, stating that the UN needs to broaden its definition of genocide, in

order to vilify Israel. These are just the highlights, there is much more. But the sum total has taken a toll on our relations with Israel. On December 15th, Israel announced to the world that they were closing their Israeli Embassy due to Ireland's "extreme anti-Israel policy that is rooted in efforts to delegitimize and demonize the Jewish State." What was our leader's response? They denied wrongdoing, stating Ireland has not been 'hostile' towards Israel. Seriously, with friends like that, who needs enemies! After this hard blow, the word that came to me was, "Ichabod." We had touched Israel His glory, and have successfully driven His Glory out of our land. As a nation, we will pay a hefty price to the King of kings—the holy One of Israel. We can be assured, the Judge will respond to our abominable actions. And if that was not bad enough, this week, Simon Harris, pledged Ireland's "unbreakable" support for the people of Palestine, in a phone call with Abbas. *We must pray for the Lord to take our heart of stone out as a nation, and give us a heart of flesh, and to pour His Spirit upon us— once again, that we will love what He loves and hate what He hates. For Him to do whatever it is going to take, to bring our people to that place where we will humble ourselves under His Almighty hand, that in due season He can lift us up out of the mire pit of anti-Semitism—this cancer, that is destroying our nation and our relation with the only One Who can save us. Amen!*

**Abortion:** Since abortion became available, in January 2019 and up until June 2024, there have been more than 42,000 babies murdered. Ireland recorded an almost 20% increase in abortions performed in 2023, ending approximately one-sixth of all pregnancies. Stats for 2024 are not yet available. But it has been estimated that the abortion rate in the Republic has skyrocketed by 250% since becoming legal. Safe Access Zones, which have been legal in the North since February 2023, became our new reality in the South on October 17th. Anyone within 100 metres of an abortion-providing facility, who is peacefully protesting or praying silently, can be prosecuted, face fines and jail time. The irony—those who are murdering are being protected from truth that gives life, while those who want to save lives are being criminalised! *May we pray for our women to choose life, despite this law. Amen!*

**Excess Death Rate:** Ireland has recorded some of the highest excess rates across the EU. In June 2024, we had a 15.3% excess mortality rate. Second highest rate, behind Cyprus and just ahead of the Netherlands. Data shows that we have repeatedly recorded excess deaths that are considerably higher than the EU average. Last year, Peadar Tóibín called on Minister for Health Stephen Donnelly to urgently do an independent inquiry into the cause of excess deaths in the State, saying his party had "been raising serious concerns over excess mortality for two years." This has yet to happen. Instead, Government is planning a 'no blame evaluation' into Covid-19 for their handling of the 'plandemic.' The evaluation's chairperson and panel will not have the power to compel documents or witnesses, or will it cover clinical questions, vaccine efficacy or outcomes. Micheál Martin, stated he is looking forward to 'marking' their own paper—my words! But basically, what they will be doing. They should all be locked up for all the loss of life they caused by fearing our people into taking a jab that was designed to maim, injure and kill lives—not save lives, as they want the public to believe. *May truth prevail, and may these criminals serve jail time for their role in destroying lives, giving them every opportunity for their souls to be saved. Amen!*

**SPHE Curriculum:** In September, whistle blower Mary Creedon, an SPHE teacher revealed the depths of vileness that our Government brought into our schools, with intent to sexually exploit and groom our children, using terms and actions to body parts that should never be spoken of—let alone taught to our boys and girls. Mary's video went viral, causing many other SPHE teachers, parents and TDs to call on Minister for Education, Norma Foley, to 'shut down' or 'completely review' the current SPHE curriculum. Praise God for Mary Creedon and her courage to do what few have been willing to do! *May we give the Lord no peace and no rest, until every trace of this wickedness has been removed from the SPHE's curriculum. And until Norma Foley and Roderic O'Gorman have been removed. They are not fit to be over our children. Amen!*

**Hate Speech Laws:** For now, Ireland's hate speech bill has been diverted, until our TDs can actually define with clarity, what is hate. But to give us an idea, in October, Senator Sharon Keogan spent 25 minutes in the Seanad listing 'genders' that the Hate Crime Bill, which was recently made law, will recognise in Irish Criminal law. It is an indoctrination of transgender dysphoria that wants to strip us of our God-given identity—two genders—boy or girl,

that can only be defined by God Almighty. *May we not grow weary in fighting for our boys to be defined as a boy, and for our girls to be defined, as a girl. Amen!*

**Pact for the Future:** In late September, the United Nations made the Pact for the Future, the nations 'new normal.' This was a sinister plot by the elite Luciferian's to force their plans upon humanity. This 'Pact' came into effect by what is known as a 'silent agreement.' Unless a nation's leaders were aware, by not objecting to it, makes it binding. Thus far, 190+ nations are now subject to this tyranny. What does it mean for us? That all will be expected to have full biometric digital ID. Anyone who goes against the 'system' will be labeled: misinformation, disinformation and malinformation. Punishments: locked out of bank out, not able to make purchases, travel by public transportations. Perpetrators of the system will be 'fact checked' by the 'system' and enforced by AI. This was their way to implement the WHO Pandemic Treaty, that they failed to do so earlier in the year. That 'treaty' gave a nation's power to the WHO in the event of future 'global' pandemics. With the recent 'bird flu' outbreaks, in addition to the 'Catastrophic Contagion 2025' simulation that took place October 2022 in Brussels, we can see their plan. The simulation done in 2022—a new virus, was similar to 'Event 201' that was done in October 2019, simulating Covid. In June, at the 77th World Health Assembly, WHO Director, Tedros Ghebreyesus, stated, *"You know the serious challenge that's posed by anti-vaxers, and I think we need to strategize. It's time to be more aggressive in pushing back on anti-vaxers. I think they used COVID as an opportunity, and you know all the havoc they are creating."* *May we be found faithful to the end!*

Beloved, the hour is late. And the Lord is coming for a wedding and a war. He is coming for those who will not have spot, wrinkle or any such thing, but who will be holy and without blemish. He is coming for those who will bear the fruit of the Spirit, dressed in the right garments, and who will not tolerate that woman, Jezebel. He is coming for those who are contending for the holiness of God to permeate their lives. For a Warrior Bride, who will not give in, give up or give over to AI, aliens and the anti-Christ; a Bride, who will be a testimony of His love and light. AMEN!

**In that place of contending, as a ministry, would like to share the following:**

**1. January, February, March:** Was a time of waiting, yet watching in that place of intercessory prayer. March, I partook and lead a time of prayer at a prophetic prayer meeting with other beloved sons and daughters in Co. Mayo, who are contending for the destiny of this nation to fulfilled.

**2. April, May:** After hosting our Passover Seder, I hit a physical wall. Eight plus years of hard labour ploughing up fallow ground took a toll on my health. It was a challenging time, requiring more healing than initially thought.

**3. June-July:** Our June 3rd, 5th and 7th calls we prayed for our local and EU elections. We covered the issues that needed covered, first, in our priestly roles via Identification Repentance, so that we could walk in our kingly roles. The Lord gave divine strategies for Ireland and Europe. We prayed into a dream that I had been given in 2020, where darkness was covering Europe—for faith to arise, by calling out the EU Nations by name. We have a long way to go, but the Lord was gracious. Our prayers were not only heard but answered. The Master Chess Player re-arranged the pawns on the chessboard of Ireland's destiny and caused Sinn Féin and The Green Party to suffer great loss. Ireland's two incumbent Green Party MEPs lost their seats and The Greens overall took a big hit throughout Europe, restoring hope to farmers. We saw 'faith arise' over Europe as people are fighting to take back their God given Identities. We are seeing, for the first time, a conservative voice coming forth. A heart felt thank you to everyone who sacrificed their time to join this appointed time of prayer, calling forth Ireland to fulfill her destiny to be light to the European nations. June 10-early July, a time for continued healing.

**4. August:** *The Narrow Road – Contending for the Holiness of God* articles were birthed. Teachings are released monthly, and are to help a Bride make herself ready, while contending for the holiness of God, that we may be counted worthy to stand before the Son of Man. I traveled to the States for personal ministry to help a lamb in need.

**5. September-December:** We were honoured to link hearts, once again, in prayer with Prayer Watch Ireland for their 40-day prayer and worship mandate, as they finished their seventh year of 40-days. I traveled to the States at the end of November for 2-weeks, for personal ministry to help a lamb in need.

**6. M-W-F Prayer Calls:** Monday, Wednesday we start at 6:55 P.M. Friday we start at 5:55 A.M. Please join us, as we pray for the Church, our Nation and Israel. **To join:** subscribe to our Telegram channel: <https://t.me/tvombministry>.

7. We continue two prayer watches each week, Tuesday and Thursday, and a monthly corporate watch.

**8. The Narrow Road:** Next article, *Testimony of His Love*, to be released January 2nd.

**9. HOP:** We pray for an increase in the number of Intercessors For Ireland who will join the HOP until they are 24/7, by committing to a 3-hour watch. If interested, please let us know—we could surely use your help. Eternally grateful for those who are praying, and for their hearts of prayer! We continue to provide monthly prayer points.

**Moving forward, your prayers and support are needed:**

**1. Pray that TVOMB would be filled with the knowledge of His will** in all wisdom and spiritual understanding, that we may walk worthy of the Lord, fully pleasing Him, being fruitful in every good work and increasing in the knowledge of God, strengthened with all might, according to His glorious power [Colossians 1:9-11].

**2. Pray for blessings, protection, strength, healing and provision for those keeping watches and their families:** That no weapon formed against them will prosper — for divine health and protection!

**3. Pray for the laborers to come forth:** Those who will rebuild the broken-down walls in our nation God's way. Those who will be like Joshua and Caleb, who are of a different spirit and who will follow the Lord wholeheartedly.

**4. M-W-F prayer calls:** That every eternal purpose for why do them will be fulfilled. For seeds sown to bear 100% fruit, for the laborers to unite, arise and build. That a pure and spotless Bride will come forth!

**5. Pray for laborers who will sow into TVOMB:** With time, intercessions, giftings and resources. To bring forth those who have a burden for what we are called to do [establishing 32 HOP], and who want us to build with them!

**The Voice of My Beloved Ministry needs:**

- Monthly financial partners, who will sow into the Ministry.
- Monies to purchase and renovate property for a HOP headquarters.
- Monies for ministry expenses: rent, utilities, insurance, hardware, software, etc.
- Monies for personal needs to be met.

Eternally grateful for standing with us, and especially for your heart for prayer! May it all be to His glory, for the Lamb to see the fruit of the travail of His soul and be satisfied in the fullest measure, for the nations to be saved! *May we keep running the race that is set before us, knowing that we have not been called to a life of impurity, but to consecration, to dedicate ourselves to the most thorough purity. AMEN!*

In His loving mercy,

Tracy Hogan
