## *Contending for the Holiness of God*

*As we travel the narrow road, we must remind ourselves in our seasons of pruning, of waiting—our afflictions and testings, that the Lord is after something more precious than gold to take place within our souls—a Bride made ready.*

### THE NARROW GATE

#### **MATTHEW 7:13-16, 21-23**

*Enter by the narrow gate; for wide is the gate and broad is the way that leads to destruction, and there are many who go in by it. Because narrow is the gate and difficult is the way which leads to life, and there are few who find it. Beware of false prophets, who come to you in sheep's clothing, but inwardly they are ravenous wolves. You will know them by their fruits ... Not everyone who says to Me, 'Lord, Lord,' shall enter the kingdom of heaven, but he who does the will of My Father in heaven. Many will say to Me in that day, Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name? And then I will declare to them, I never knew you; depart from Me, you who practice lawlessness.*

#### **The Oil and Wine**

Beloved, the hour is late, and the days are getting more evil. Yet, the Lord does not want us to be fearful, but prepared—like new wineskins, so He can pour new wine into our souls. But we cannot receive the new wine without the oil, for the oil speaks of our relationship with the Lord and without it, there is no relationship. Therefore, if no oil, no new wineskin can be prepared for the new wine that is to be poured into them. The wine—the glory, speaks of the transformation that is to take place when the new wine enters a prepared wine skin—our soul.

It is that 'oil and wine' that Revelation 6:6 speaks of which cannot be harmed in these last days—a company of people known as the Bride of Messiah. For the seal of God will be upon their foreheads. They will know

their God intimately, and will be filled with the glory of the Lord. For that is His answer for the dark days ahead—to demonstrate His light and love—His glory, in vessels who have been emptied of self. For they will have become just like those six empty waterpots—filled to the brim, when Yeshua demonstrated His first miracle, by transforming the water into wine, at the wedding in Galilee.

#### REVELATION 6:6

*And I heard a voice in the midst of the four living creatures saying, "A quart of wheat for a denarius, and three quarts of barley for a denarius; and do not harm the oil and the wine."*

#### Vision: The Broad Road

In September 2018, while in prayer, preparing for a meeting, I had a short vision. I saw on the left a mass of people—hundreds of thousands, all walking in the same direction. I could not see the ground they were walking on, for there were too many people. I could just see their heads bobbing up and down as they walked. Off to the right of this wide road, was a much narrower and smaller road, and I mean narrow, really tiny compared to the other one. It swerved sharply away from the main road. It was a sharp curve—perpendicular to the wide road. It had an arrowhead at the top of it, making it clear the direction of this road. What is hard to explain in words, is that this much narrower road for a very short distance was joined to an opening that would bring you onto the wide road, before it quickly veered in the opposite direction. It was not easy to get onto this narrow road, as it took some maneuvering for you needed to know exactly where that small opening was to be able to get on it. At the same time, and in the same area of this small opening, there was a large opening onto the wide road. It was not a tangible opening that could be seen, but what I saw in the Spirit and felt was a 'force' that pulled people onto the wide road. For lack of words, it was like a rip current that causes water to flow strongly in one direction, that cannot be seen. There was a 'flow—an unseen current' that caused people to easily be pulled onto the wider road and anyone who tried to get off of it to feel as if they were pushing against the tide—the flow. Lastly, right above the 'arrow' which was on the narrow road on the right hand side, I saw a circular green light, like a traffic light when it turns green, indicating to go this way.

When I share this vision, it has the potential to cause Believers to take offense. Why? Because it was made clear that the wide road, was the broad road of destruction that Yeshua forewarns us not to travel upon. And that many on that road were those who say they are Christians. Sadly, many Christians, today, are in name only—living for self, and not for the Lamb. They are steeped in love for this world and not counting the costs of its deadly consequences. Then there are those who are building their own kingdoms, by using and abusing the gifts and the anointing for their selfish gains. And, yet still, there are many who tolerate that woman Jezebel—a false prophetess, and love to dine and sup at her table of idolatry and sexual immorality.

But remember Yeshua's words, *"Not everyone who says to Me, 'Lord, Lord,' shall enter the kingdom of heaven, but he who does the will of My Father in heaven."* And that many will say to Him, *"Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?"* Yet, His answer, *"I never knew you; depart from Me, you who practice lawlessness."* Those words should put a healthy dose of the fear of the Lord within our souls as we go about our days, for He was talking to Believers, not the unsaved.

So we must know any work that He has not asked us to do, is worthless to Him. It is bad fruit that leaves His hunger unsatisfied. His perfect will is that we would produce abundant, everlasting, good fruit and have abundant life. Yet, there is only one way for that fruit to come forth. And it is when it is no longer us who live, but He Who lives in and through our lives until: love, joy, peace, patience, kindness, goodness, faithfulness, humility and self-control have been forged within our souls. Then He will see the fruit of the travail of His soul and His hunger will finally be satisfied.

#### 1 CORINTHIANS 3:13

*Each one's work will become clear; for the Day will declare it, because it will be revealed by fire; and the fire will test each one's work, of what sort it is.*

We can be certain, if it is not His will being done in our lives, those works will burn up as wood, hay and stubble on that Day, when they are tested with fire. So we must ask ourselves, constantly, are we doing His will or our will? Are we doing a good intention—looks great on the outside, but with a wrong motive?

Are we using our time, resources, gifts and anointings for His fame and gain, or for our fame and gain? Are we loving Him with all of our heart, soul, mind and strength—a call to surrender all of our will? Are we willing to help those in their hour of need? Or will we be like the man, who went looking for bread at midnight and was turned away by his friend, because he was too self-absorbed not wanting to get up and help him? Albeit, his friend's timing was not convenient. But when that knock comes on the door of our hearts, will we too miss our divine opportunities to walk in selfless love, and without complaining?

Last month, I shared a word from 2021, in how so few in the Body walk in integrity of heart before Him. And that even fewer walk in the holiness that is required to see His face. We then looked deeper at what it meant to be found faithful and to have integrity of heart before Him. That we must be found before Him: honest, free from all deceit and not misrepresent the truth, that leads others astray, and not just some of the time, but all the time!

#### **HEBREWS 12:14**

*Pursue peace with all people, and holiness, without which no one will see the Lord:*

As we travel the narrow road, contending for the holiness of God to permeate our lives, we must remind ourselves in our seasons of pruning, of waiting—our afflictions and testings, that the Lord is after something more precious than gold to take place within our souls—a Bride made ready. He wants our ways to decrease so we can enter through the narrow gate, which leads to eternal life.

But if we are puffed up with pride and self-will, we cannot fit through that narrow opening. For there is no room for pride, idolatry, sexual immorality, greed and selfish ambition—our ways, on the narrow road, which is on the other side of the narrow gate.

But if we are willing to die to self-will—our worthless ways, and everything that we ever thought our lives, churches or ministries were supposed to become, we will not be swept away with the deadly undercurrent of a false way that leads to destruction. His ways will become our ways. And those ways are exceedingly higher, nobler, and far better for our lives than we could ever imagine—all the redemption, that is on the other side of our surrenders!

### **False Prophets**

Yeshua says that to enter through the narrow gate is going to be difficult, and that few will find it. And right after that warning, He says to beware of the false prophets, who are dressed in sheep's clothing, but are wolves who have come to devour His flock. And how we will know them by their fruit. And that their fruit is bad fruit.

We further see, in Matthew 7, verses 24 and 26, the Lord starts by saying, *"...everyone who hears these words of Mine and does them..."* What words was He talking about? How He told us to enter through the narrow gate, it will be hard, and that few will find it.

I believe in this passage of scriptures, Matthew 7:13-27, the Lord was addressing the false prophets, wanting us to know that if we follow their voice, we will end up on the broad road of destruction. For if we follow their voices, we will end up building our house on sand. And when the rain, floods and wind come, we will not stand. Instead, we will be swept away to utter ruin. That is not His will for anyone. Instead, may we take heed that no one deceives us.

#### **MATTHEW 24:4**

*And Jesus answered and said to them, take heed that no one deceives you.*

Most prophetic words that are being released today, are not of the Lord. They do not point man to Him, but to self—building mans' reputations, churches or ministries. A lot of bigger churches and ministries have mostly built their memberships largely on questionable visions, dreams and heavenly encounters, and not solely by their teachings. For that is what the masses flock to and what most want to hear, a word from a 'man' or 'woman' of God.

And because of the great lack of discernment in the Body—not testing the spirits, and souls not surrendered, many are building their houses on sand. I believe one reason discernment is lacking, is because so few in the Church are teaching His people what it means to be pure—what that looks like before the Lord. Over the last year and a half, we have seen sickening depths of dishonest gain and immorality revealed in the Church. Clearly revealing, that many in leadership, with large followings, are not walking in integrity of heart before the Lord. Instead, they are dishonest, fraudulent, not representing the truth, and are leading many astray.

## Test, Refine and Purify

What we have witnessed, thus far, is only the beginning of the Lord cleansing His Church. And we can be certain, as the anti-Christ sets his rule up in the nations in the coming years, Yeshua will give His Church a final purging, as we go through the great tribulation. For those difficult days will purge us of everything that is profane, impure, unholy and unclean. It will be a time where endless mercy and grace will be poured out by Him, wanting to give us every opportunity to die to our worthless ways, and surrender all to the only One Who is worthy of our love and affections. For He is going to have a Bride, on this earth, who will be without spot or wrinkle—one who will be found faithful to the end.

Beloved, we are not escaping those seven years. There is no early 'escape clause' for us, unless it is our time to depart from this earth. If anyone says differently, they are not helping you to be prepared. Yeshua spoke of those seven years in Matthew 24:21, saying there would be great tribulation as never been seen before, or ever again. And that the days had been shortened for the sake of the elect, for if not no one would survive. Daniel 12:10, spoke of the second half of those seven years—and how they will be used to test, refine and purify His people.

### DANIEL 12:10

*And he said, "Go your way, Daniel, for the words are closed up and sealed till the time of the end. Many shall be purified, made white, and refined, but the wicked shall do wickedly; and none of the wicked shall understand, but the wise shall understand."*

Daniel further spoke that during this time how some who are wise shall weaken and fall—in order to refine them, purify them and to make them white [Daniel 11:35].

### DANIEL 11:35

*And some of those of understanding shall fall, to refine them, purify them, and make them white, until the time of the end; because it is still for the appointed time.*

The days ahead are going to be difficult to navigate and are not for the faint-hearted. The Lord wants us to be prepared, by building our houses on rock. He wants us to be prepared to contend with AI, aliens and the anti-Christ. Currently, robots are being tested in two stores, in one of Ireland's main grocery chains.

The robots travel around the store three times a day to check that shelves are full, prices are correct, and order additional stock utilising AI analysis.

Last September, the UN passed the Pact of the Future, and the WHO Pandemic Treaty was passed, on May 20, 2025, with over 190 nations in agreement. Both anti-Christ agreements are to be enforced by AI. A power grab to take away our civil liberties are now all in place for when the Luciferian elite announce the next 'plandemic.' All the while, the UN will meet mid-June to discuss the formation of a two-state solution for Israel with Saudi Arabia and France hosting that event. The days ahead are not for the fearful, but the prepared.

## Stand or Fall?

In this late hour, the Lord is shaking everything within and outside the Body that can be shaken. And those shakings are only going to continue to increase, as we launch into the next 'birth pang' that will try to take our breath and faith away. The storms coming will be like funnel clouds where we will have no other option but to come out the other side, one way or another.

When we do, will we be standing on rock or sand? Will we weaken and fall away? Will our faith increase or decrease, when the rain, floods and winds come beating against us spiritually, emotionally, physically and financially? Will He find faith when He returns?

### LUKE 18:8

*...Nevertheless, when the Son of Man comes, will He really find faith on the earth?*

Nobody is prepared mentally for what we must overcome during these years of darkness. How can we be? We have not experienced anything like it before. Daniel forewarned how the anti-Christ will wage war against the saints, during this time period, with the goal to wear us out. Satan knows it is his last opportunity to try to stop God's plans from coming forth in a company of people—the Bride of Messiah—the Sons of God—the Overcomers, before the King of kings makes His Majestic return to make the wrongs rights and to wipe away our tears, as only He can do [Matthew 24:21, Daniel 7:25].

We are going to have many opportunities to give up, give in and give over—to quit. That is the enemy's

game plan by trying to wear us out. If are lamps are not filled with oil and the wicks of our hearts not trimmed daily, we will not know how to build our house on rock. For it is in that place of relationship with Him—the anchor of our soul, that will pull us through to the other side of the storms ahead, so that we may stand before the Son of Man.

And because of it, we will know our God intimately. We will believe there is nothing too hard for Him to do. We will know that He is able to pull us through, despite what our eyes see or our flesh feels. We will not put our eyes on ourselves or the circumstances. Instead, we will know that coming through the other side of the storms—standing, has nothing to do with our abilities. But all about His abilities—His power and perfection, being glorified in our weaknesses!

For those who enter through the narrow gate—onto the narrow road, great grace, courage wisdom and strength are going to be needed, more than ever, in the coming days, that we would not succumb to compromise and fear of man. And especially when being threatened to be locked out of our bank accounts, not able to travel publicly anymore due to digital wallets, or able to buy certain items. It will be a time of testing, by fire, like no other time, ever on the earth.

But we can be of good cheer, that He is with us in the battle, and that the battle is His. And in the midst of the battle, He is bringing forth a people who will build their houses on the Rock of truth. He is bringing forth a pure and spotless Bride, who in the midst of tribulation, will stand and not fall. A Bride who will do great exploits for the advancement of His Kingdom, on earth as it is in heaven, in these last days, which Daniel spoke about in chapter 11 verse 32.

**DANIEL 11:32**

*Those who do wickedly against the covenant he shall corrupt with flattery; but the people who know their God shall be strong, and carry out great exploits.*

May we contend for our faith and the holiness of God, as if our lives depend upon it, while staying watchful in that place of prayer—always, that we may be found worthy to stand before the Son of Man. AMEN!
